

Mid-Term Exam

Beloved something to remember - Scripture says that “**faith**” comes to you and to me (the word belief synonymous with faith) by “**hearing**” – (that is to sit under the word of God being taught – preached – shared etc.(Irrespective if you fully understand what is being taught) and hearing comes by the **Word of God- Romans 10:17**

God’s word being taught – you and I hear it, and faith or belief arises in our hearts.

Further – we are promised in the word, that the Word spoken or taught will not return **void** – that is to say that when it is preached, taught or shared, it will have an effect upon your life – (even if you do not understand every word spoken) **Isaiah 55:10&11**

The word **void** means “**empty**”. The rest of the verse says: “it shall not return to me void,(empty) but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.

Do not be weary in well doing – in the end, it will produce fruit to your liking.
