

## **PAID INTERNSHIP PROGRAM (P.I.P.)**

This program gives people of color ages 18-45 a paid internship at a local business in Central Oregon. Interns wages are paid through C.O.B.L.A. and are 120-180 days in length. Fields of work include: Technology, Health Care, Law, Medical Marijuana and Hemp, Construction, Education, Hospitality, Law Enforcement, and Food. Our organization also supplies interns with anything they may need in order to begin work. (Safety equipment, tools, grooming, transportation. etc...These are high level internships offering a pathway to generational wealth for Blacks and other people of color.
