MUSICAL MOVEMENT SYNOPSIS 8: "CAPTAIN PLASTIC"

SEL Topic Addressed: Responsible Decision-Making

- I. The ability to make constructive choices about personal behavior and social interactions based on ethical standards, safety concerns, and social norms.
- II. The realistic evaluation of consequences of various actions, and a consideration of the well-being of oneself and others.

STYLE OF SONG:

- A rap song with some talk box in the chorus.
- The lyrical content of the song revolves around things that are hurting the earth.
- The "earth" is the star of the show; it is animated, hanging from the middle of the set, and happens to be the rapper for the song.

STYLE OF MOVEMENT:

- The dance movement will signify that, "We've got the world in our hands."
- The move will be called, "The Terra Foota."
- The "Terra Foota" will consist of extending ones hands to the earth and then hugging oneself, accompanied with a great whole body turn.

PERFORMERS STYLING:

- Child actors, dancers, a DJ, will be wearing white track suits with handprints stenciled on them, and green high top converse running shoes.

SCENE:

- It is a nature setting of grass, trees, water.
- Everything is made out of balloon art.
- A big, digitally animated earth with a large mouth is hanging from the ceiling in the center of the set.
- The Earth is pulsing like an 808 drum and it raps the song.

MESSAGE:

- Sound bite: If you love the earth, it will love you back
- You can make healthy constructive choices about personal behavior and social interactions based on ethical standards, safety concerns, and social norms.
- You can gain a realistic understanding of consequences of various actions, and a consideration of the well being of oneself and others.

TREATMENT:

Intro 1:10

- The Music starts to play and the screen shows 5-7 child
- The video opens up with a giant, digitally animated earth hanging in the middle of the set.
- The earth yells out to a beat boxer, to give it a beat.
- The Beat boxer starts beat boxing and the earth starts to rap.
- Dancers surround the earth in a choreographed routine.

Message 0:30

- A series of memes about respecting and protecting the earth begin to play.
- These memes focus on what children can do at home to take care of and protect the planet.
- The memes show how to save water and electricity, and how to recycle and dispose of food and garbage properly.

Dance Move Tutorial 1:00

- The experienced dancers teach the junior dancers the new move, "The Terra Foota."
- At the conclusion of the video, everyone on stage hugs the earth.
- The earth blushes and says, "Thank you."
