Upon signing this agreement, the consumer acknowledges the following:

Rebate offer(s) may be changed or discontinued at any time by Columbia Basin Electric Cooperative (CBEC). CBEC disclaims any warranty, whether expressed or implied, regarding the energy efficient upgrade(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the energy efficient upgrade(s) must be installed to CBEC specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Oregon Construction Contractors Board. CBEC strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a consumer of CBEC, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within CBEC service territory.

RESIDENTIAL WINDOW REBATE PROGRAM **Steps to Participation**

1. PRE-APPROVAL

If the work is to be completed by a contractor, the contractor must submit an estimate of the work to be completed at the site including existing frame type (metal, wood or vinyl), single or double pane glass and size of each window with the customer rebate application.

If this is a self-install project, the homeowner must keep the old windows that are replaced on site until after the final inspection of the window project. The homeowner must submit an estimate for the project & the Columbia Basin Electric Cooperative window rebate application. *Documents can also be mailed to the address on the rebate application, faxed to 1-503-344-6942 or emailed to rebates@esgroupllc.com. After you submit the pre-approval information, you will receive a follow-up letter to confirm that rebate funds have been reserved for (3) months. If your project is not complete within the (3) month timeframe, then you must reapply for rebate funds.

2. **WINDOW UPGRADE**

Ш	your home or hire a contractor to do the work.
	New replacement windows must have a U-Factor of 0.30 or less to qualify for a rebate!
	Windows can be replaced all at once, individually, or a few at a time.
	Each new window will have an NFRC sticker attached to the glass. Carefully remove all stickers and make a copy of each one or you can provide the window order confirmation from the company that the windows were ordered. The window order confirmation must provide the u-factor verification in order to receive the rebate. Retain originals for your records.
	Each new exterior door must be ENERGY STAR rated & may have an NFRC sticker attached to the door verifying that it is ENERGY STAR rated. Remove the sticker and make a copy of the sticker. Retain originals for your records. Verification that the door is ENERGY STAR rated must be in the final paperwork. Exterior door must replace an un-insulated door

POST-INSTALLATION INSPECTION

Call 888-883-9879 to request a no-cost final inspection of your newly upgraded windows. Inspections are scheduled once per month. You will be contacted 2-3 days prior to the inspection with your scheduled date and time. You do not need to be home during the inspection provided there is outside access to all windows. Please unlock gates and restrain your pets before your scheduled audit. You are required to have a post-installation inspection each time you upgrade windows in your home.

REQUEST YOUR REBATE

ALL DOCUMENTS ARE REQUIRED TO PROCESS YOUR REBATE! At the time of tinspection, the utility representative will collect the following required rebate documents:	the final
☐ Contractor final invoice(s), or receipt(s) if self-installed, showing window dimensions	
☐ Completed Residential Window and Insulated Door Rebate Application	
☐ Copy of one NFRC sticker for each window replaced	

RECEIVE YOUR REBATE

You can expect to receive your rebate 8-10 weeks after the final inspection and receipt of all required documentation.

All work must meet Bonneville Power Administration (BPA) and Columbia Basin Electric Cooperative program and installation requirements. For additional questions, call 888-883-9879
