### Upon signing this agreement, the consumer acknowledges the following:

Rebate offer(s) may be changed or discontinued at any time by Columbia Basin Electric Cooperative (CBEC). CBEC disclaims any warranty, whether expressed or implied, regarding the energy efficient upgrade(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the energy efficient upgrade(s) must be installed to CBEC specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Oregon Construction Contractors Board. CBEC strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a consumer of CBEC, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within the CBEC service territory.

## RESIDENTIAL WINDOW REBATE PROGRAM

### Steps to Participation

#### 1. Pre-Installation Audit

A Field Representative will perform a *one-time* audit to determine the existing condition of your home before your windows are replaced. Audit results are kept on file for future reference. Your home must be heated with electric heat to qualify for this program.

- Call 888-883-9879 to request a no-cost audit.
- The home may be site-built or manufactured. It may be owner-occupied or used as a rental. If this is a rental, the owner must be the one who requests the audit.
- Two to three weeks after the audit, you will receive a follow-up letter to confirm that rebate funds have been reserved for your project for six (6) months. You must apply again for rebate funds if your projects not completed within the six-month timeperiod. Funds are available on a first come first serve basis and may not be available at the time you reapply.

#### 2. Window & Exterior Door Upgrade

- After the audit, you can upgrade the windows in your home or hire a contractor to do the work.
- New replacement windows must have a U-Factor of 0.30 or less to qualify for a rebate.**
- Windows can be replaced all at once, individually, or a few at a time.
- Each new window will have an NFRC sticker attached to the glass. Carefully remove all stickers and make a copy of each sticker. Retain originals for your records. You may also submit a window order confirmation with the U-factor and measurements of the windows replaced.
- Windows must be completely sealed, primed, caulked & trimmed at the time of the final inspection.
- Each new exterior door must be ENERGY STAR® rated & may have an NFRC sticker attached to the door verifying that it is ENERGY STAR® rated. Remove the sticker and make a copy of one sticker per door replaced. Retain the original sticker(s) for your records. Verification that the door is ENERGY STAR® rated must be in the final paperwork. Exterior door must replace an un-insulated door that separates heated space from un-heated space.

#### 3. Request Your Rebate

After the windows have been replaced, sealed & caulked, please submit the following paperwork to [rebates@esgroupplc.com](mailto:rebates@esgroupplc.com), faxed to 503-344-6942 or mailed to the address on the form.

- Contractor final invoice(s), or receipt(s) if self-installed, including window measurements. The final invoice & installation date must be on or after October 1, 2019 to receive the current rebate amount
- Completed Residential Window and Insulated Door Rebate Application.
- Copy of one NFRC sticker for each window replaced or a manufacturers window order confirmation with measurements and U-factor verification.
- Copy of one NFRC sticker or ENERGY STAR® verification for each exterior door replaced.

#### 4. Post-Installation Inspection

- When the final paperwork has been received by email [rebates@esgroupplc.com](mailto:rebates@esgroupplc.com) or fax 503-344-6942 or mailed to the address on the rebate application, you will be added to the list for a final inspection or you can call 888-883-9879 to request the final inspection after you have submitted the final paperwork. You will be contacted two to three days prior to the inspection with your scheduled date and time. You do not need to be home during the window inspection provided there is outside access to all windows. Please unlock gates and restrain your pets before your schedule inspection. The post inspection is required before the window rebate can be processed.

#### 5. Receive Your Rebate

Allow 8 to 10 weeks after the final inspection approval and receipt of all required documentation for rebate checks to be issued and mailed.

**All work must meet Bonneville Power Administration (BPA) and Columbia Basin Electric Cooperative for program requirements. For additional questions, call 888-883-9879**
