

# NATURE'S FARM GRANOLA

**ALL OUR GRANOLA IS DELICIOUS AND GLUTEN FREE!  
NO SALT OR SUGAR ADDED.**

Our artisan wholegrain granola is handcrafted combining the wonderful flavours of whole rolled oats, raw nuts, seeds, and dried fruit. We use honey or maple syrup resulting in a caramelized crunchy sweetness. We make our granola in small batches and source top quality ingredients.

A little goes a long way! Hearty enough for trail mix, perfect when combined with yogurt or milk, and delicious as a healthy topping for all ice creams. **JUST NATURAL PURE GOODNESS!**
