I'm Brenda Klassen—homemaker, mom, grandma, and lifelong kitchen fan. I've spent decades cooking for my family, and now I'm on a mission to help preteens and teens discover the fun (and chaos) of cooking. With quick snacks, midnight munchies, easy meals, and even a pop quiz, this book is my way of saying: get in the kitchen, make a mess, and eat boldly!

Parent-Free Kitchen Chaos Starts Here!
