Larry's Wife said this about Larry: "It is with great sadness that I write to tell you of the loss of my beloved "Weaver" who peacefully left us on September 6, 2024, after a courageous battle with Parkinson's Disease over the last 18 years. Weaver has been a devoted father, husband, and grandfather. He touched the lives of all who knew him with his unwavering love, strength, and kindness. We will forever cherish the memories of our life adventure of 58 years of marriage. He loved his boys Jeff, Mark, and Travis beyond measure, his grandchildren, and above all, his Wife. Now he can fly free of his body. He will be deeply missed but will remain in our hearts always.
