Idaho's Oldest Saddle Club

Spring is on the way and the horsehair is flying. Come join us for our annual Spring Clean Up day March 26th at 10am to get the facilities looking beautiful and well maintained for the year. Many hands are needed for pulling weeds, cleaning the office, cookshack, clubhouse, repairing playground equipment, picking up rocks, burning the tumbleweed piles, as well as several carpentry tasks and other odd jobs... Whew!

We will have self-serve Chili Dogs and drinks for our volunteers as well as rainbow sorbet for dessert.

Randy Orcutt has volunteered to replace the Cookshack windows for our convenience and safety, and Lenny Keys brought experts to access the clubhouse floor to address the foundation issues as well as best options to preserve the flooring.

Our arena is almost ready and will be worked once dry, hopefully before the end of the month.

Our Spring Omoksee is May 21st, and we will be awarding some beautiful buckles and awards immediately following the event. The entry form is available for printing at the top of our website at 49erssaddleclub.org or contact Susan Rhodes at **971-901-2848** Email: susan.allen5930@outlook.com

This year the Annual Thursday night Barrel and Pole Series will begin June 9th with signups beginning at 5pm. Money added, BRND4D sanctioned, and beautiful buckles and prizes awarded in every division at series end. Also, check out our new digital timer board sponsored by P1FCU. Contact Lisa Hawkins for more info. 509-780-1828 or Email lisahawkins899@hotmail.com PayPal the49erssaddleclub@gmail.com

Playnights will begin May 5th and continue every Thursday night through June 2nd at which time they will alternate every other week and begin at 7pm with signups at 6:30pm. Buckles and prizes awarded at series end for high point winners is all age groups.

The Youth Riding Team will be serving dinner at all Play Night events as a year-end award fundraiser. Turtle Harding and Maciva will be our Cookshack Hosts again this year.

The Youth Riding Team lessons will continue every Sunday 1-3pm at the Lewiston Roundup Indoor Arena until the 49er's outdoor arena is ready for use, at which time the days will be switch to Wednesday evenings at 6pm. We want to thank the Lewiston Roundup Association for their sponsorship as well as our amazing instructors for donating their time and energy to instruct our youth members at no cost. Our year end awards are 100% sponsor funded so please support our program by becoming an event or buckle sponsor to reward these future cowboys and cowgirls for their hard work and accomplishments. Sponsor forms are available on our website at the top of the homepage under printable forms 49erssaddleclub.org or email the49erssaddleclub@gmail.com for more information. The Youth Riding Team members are selling 50/50 raffle tickets to raise funds for the cookshack concessions as well as year end awards. \$5 each or 5 tickets for \$20. The drawing will be April 3rd with top prize splitting the money raised. 2nd prize wins a homemade Afghan, and 3rd place is horse tack. Contact Jann Dahmen Morbeck for tickets or information 509-592-7735

The Boy Scouts will be at all our 49er's Saddle Club Barrel Races again this year and will be serving some delicious meals and accepting credit cards as well. Come and support this great organization and make them feel welcome:)

Check out the calendar of events on our website to stay up to date on all our races, clinics, Omoksees, playnights, and Youth Riding Team lessons and competitions scheduled this year. 49erssaddleclub.org. We also have a link to Gini Roberge's photo gallery for photos of all our major races and events.

Silver Creek Drill Team is recruiting team members of all ages and will be performing at various parades and 49er's events this season. Contact the Team Captain Charlene DeSalme for more info at 208-780-1925.

This year we ask our members to consider taking a more active role in volunteering for event set up, announcing, office help, opening gates, raking, helping in the Cookshack for Playnights etc. No expertise required. Member's meetings are held at 6pm on the second Monday of the month and all members welcome and encouraged to participate!
