

# 49er's Saddle Club

May 2020 Newsletter

Though the world has been closed, the 49er's have been busy behind the scenes. Erika and the Royalty Girls, Queen Hannah and Princess Grace, are ready to sell you and your friends raffle tickets to win some great fishing prizes. Their bundle includes a Camp Chief Smoker & Cooler along with other fishing goodies. Tickets are \$5.00 each or 5 for \$20.00. Please contact Erika Raggio or the Royalty Girls to get your tickets today!

A big thank you to P1FCU and Jenna Blankenship for their recent donations to help our girls represent the oldest saddle club in Idaho!

Queen Hannah and Princess Grave want to give a huge "Thank you," to the 2020 Playnight Buckle Sponsors for graciously donating buckles to the winners. Thank you to the following families: Raggio, Auker, Patterson, Powell, Hudson, and Hodges Families! Due to the COVID outbreak, royalty was concerned about being able to fund the buckles, and we are so thankful for the families that stepped in!

## COVID-19 Response

While we rebound as a State from this pandemic, we ask that you review the list of rules when you come into the gates of the 49er's Saddle Club. Please remember to Social Distance at least 6 feet. Wash your hands frequently, don't shake hands, and if you or someone you've been around within 2 weeks has been sick, we ask you to stay home. The Playground remains open, and children may play on the equipment at their own risk. Play equipment is sanitized before each event, but not after each use.

## Big Thank You's

Thank you to Patti Triplett and Rick Leonard for their donation to the Club! Rick and his crew took the old, falling apart ramp, and replaced it with sturdy wood and a fresh coat of paint to keep our members and visitors safe! We thank you greatly for not only donating the materials, but your time. We appreciate you!

## Under Water!

You may have noticed our arena saw heavy rain during the last two weeks of May. Our Arena Director Mark was able to work the arena after four members, (Patti T, Rick L, Crystal H and Daniel H), hand dug trenches to help drain the water! Thank you everyone for stepping up to keep our arena in the best condition. Mark asks if you

would please take the time to toss all horse droppings into the pasture, and please pick up any garbage you see. Taking a few minutes to do that helps keep our facilities looking awesome. Thank you!

## Upcoming Events

With safety measures in place, we are able to continue to use our arena and allow events. Here are some upcoming events at our Saddle Club:
