JOELS PICK OF THE WEEK

LANTANA

WHY JOEL LOVES IT:

- Blooms from late spring until frost
- Thrives in Missouri's hottest summer weather
- One of the top pollinator friendly options
- Very low-maintenance

PLANT CARE

- **Sun:** Full Sun (6+ hours daily)
- **Water:** Water regularly until established
- **Soil:** Well-draining soil
- **Attracts:** Butterflies, Hummingbirds, and Bees
- **Hardiness:** Zones 8-11 (It is an annual in Missouri zone 5)

JOELS FUN FACT:

Butterflies can't resist lantana. If you want your garden buzzing with pollinators, this is one of my top picks
