Update Legacy Merchandising	44

Looking to **update legacy merchandising?**

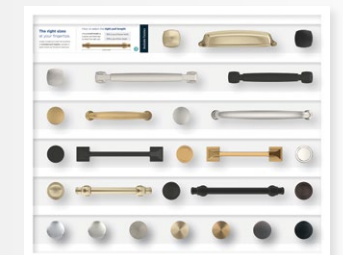

Board dimensions:
11-3/4in W x
15-3/4in H

RETROFIT BRACKET KIT

Includes 6 brackets that hold up to 12 static cabinet hardware collection boards, sold separately.

Part No. MER24B00

Board dimensions:
21-1/2in W x
18in H

INTERACTIVE REFRESH KITS

Update legacy 6-row interactive boards (Part No. CDBBLANK) with hardware replacement kits.

See p. 45-47

Program *overview*

1 Choose the display structure that works for your footprint

- Rotating 4-Sided Tower
- Rotating 2-Sided Tower
- Wall Display

✓ Boards can also mount directly on slat wall or drywall.

Slat Wall Bracket
Part No. MER24B01

Rotating 4-Sided Tower (left) and Wall Display

2 Choose the product format for your displays

STATIC

Showcases cabinet hardware, bath accessories, or decorative hooks **affixed to boards.**

INTERACTIVE

Houses **removable** cabinet hardware and is **now compatible** with our latest wall and tower displays.

Add-ons to support the sell

FINISH SAMPLES

Showcase Amerock's trending finish offering with a **finish chip ring.**

Part No. FCRNG004

Included Finish Chips

- Polished Chrome
- Polished Nickel
- Satin Nickel
- Stainless Steel
- Golden Champagne
- Champagne Bronze
- Oil-Rubbed Bronze
- Black Bronze
- Matte Black

TRAYS

Maximize the versatility of your displays with a complementing tray, which can also fit into vignette drawers.

Tray (Sold separately)

Part No. CDB19046

Dimensions: 18in L x 14in W x 2-1/4in D

Optional Lid (Sold separately)

Part No. CDB19047

Display structure options

💡 Amplify your footprint with multiple wall displays.

A

ROTATING 4-SIDED TOWER

Dimensions:

30in W x 30in D x 82-13/16in H

B

ROTATING 2-SIDED TOWER

Dimensions:

29-3/4in W x 29-3/4in D x 80-3/16in H

C

WALL DISPLAY

Dimensions:

27-5/16in W x 5/16in D x 78in H

Available Display Configurations

Arranging boards on the displays

See p. 10-14 for recommended assortments

Counts as 1 position:

- Cabinet hardware collections
(11-3/4in W x 15-3/4in H)

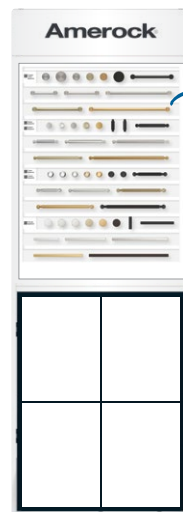

Counts as 2 positions (vertical):

- Appliance pulls
(11-3/4in W x 32-1/16in H)

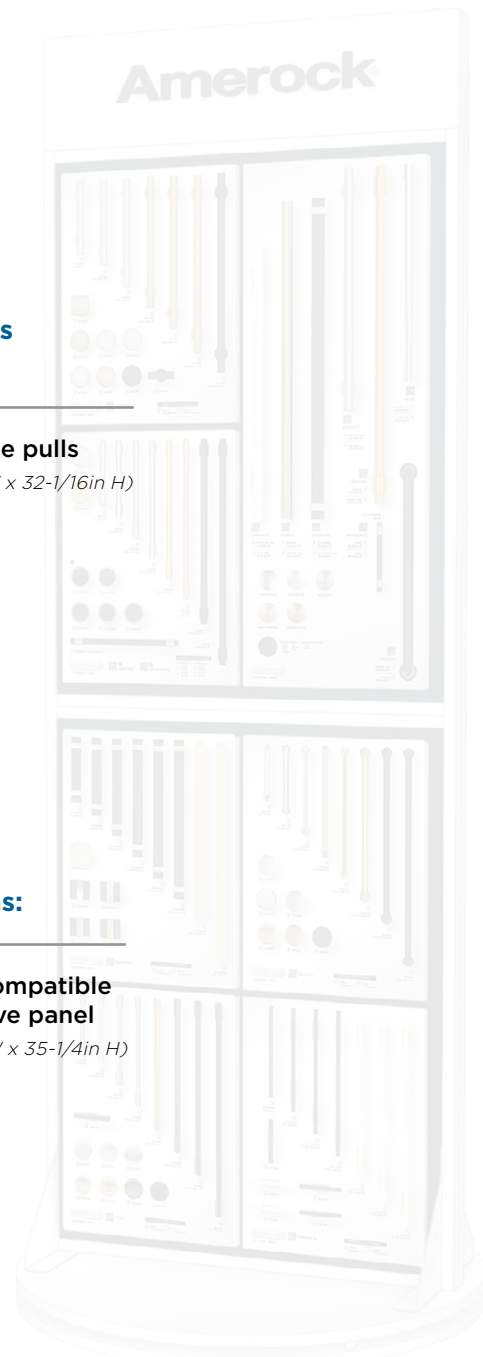

Counts as 2 positions (horizontal):

- Everyday Basics
(24in W x 15-3/4in H)
- Bath accessories
(24in W x 15-3/4in H)
- Decorative hooks
(24in W x 15-3/4in H)

Counts as 4 positions:

- Tower-compatible interactive panel
(27-1/4in W x 35-1/4in H)

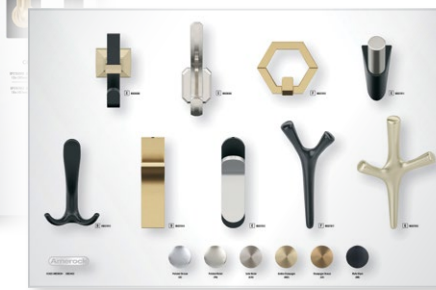

Cabinet hardware collections

Appliance pulls

Bath accessories

Everyday Basics

Decorative hooks

Static boards compatible with our displays

Elegant **white gloss** static display boards feature **fixed hardware**. Collection-based boards allow you to curate your offering.

Features for smooth selling:

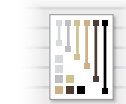

SKU-specific details printed on each board for a seamless ordering experience.

- Price code
- Part number
- Center-to-center (CTC) for pulls and cup pulls

Collection QR codes printed on each board allow users to explore more details on Amerock.com.

Brackets included for slat wall or displays. Hardware also included for drywall installation.

Hardware is not riveted to the boards and can be unscrewed.

Flexible board configurations

Mix and match boards in almost any configuration to curate your own offering.

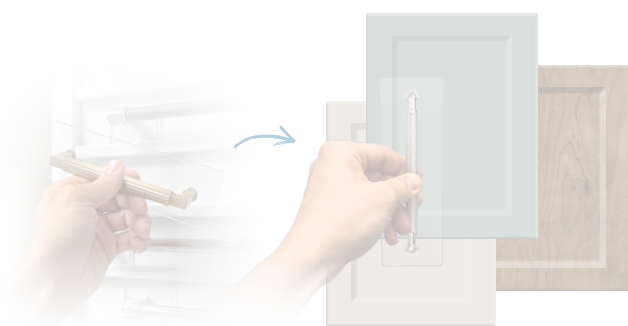

Displays:	Holding Capacity:
Rotating 4-Sided Tower	32 positions
Rotating 2-Sided Tower	16 positions
Wall Display	8 positions

Categories include:	Static board dimensions:
Cabinet Hardware	11-3/4in W x 15-3/4in H
Appliance Pulls	11-3/4in W x 32-1/16in H
Everyday Basics	24in W x 15-3/4in H
Bath Accessories	24in W x 15-3/4in H
Decorative Hooks	24in W x 15-3/4in H

Interactive panels, now compatible with our latest displays

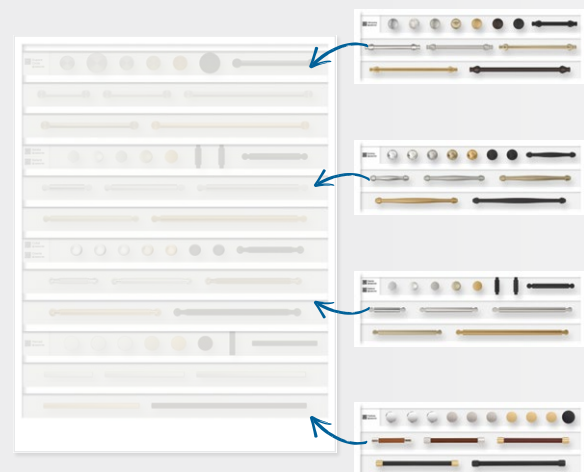

Visualize the finishing touch with **removable hardware**. Collection-based hardware kits give you the flexibility to tailor your assortment.

Dimensions: 27-1/4in W x 35-1/4in H
Interactive panels are not sold separately.
See p. 9 for available configurations.

Curate your offering

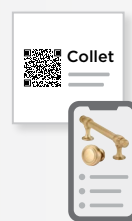

Create your footprint with blank interactive panels, then **add the hardware kits of your choice**.

Features for smooth selling:

Each 12-row interactive panel holds up to 4 hardware kits (p. 17-19), showcasing 4-8 collections based on your selections.

Each kit includes a label for the interactive panel, which shows:

- **Collection name**
- Available **appliance pulls** or **bath accessories**
- **QR code** for users to explore more details on Amerock.com

Collection & profile number for each product is printed on its acrylic backer.

Display compatibility

Rotating 4-Sided Tower

Static Boards + 2 Interactive Panels
Part No. MER264IN2 (Shown)

Interactive panels must be placed on opposite sides for balance.

Rotating 2-Sided Tower

Interactive Panels Only

Trays: Extend the curated experience.

This add-on is a **natural complement to interactive panel elements**, and also fits into vignette drawers.

Tray (Sold separately)

Part No. CDB19046

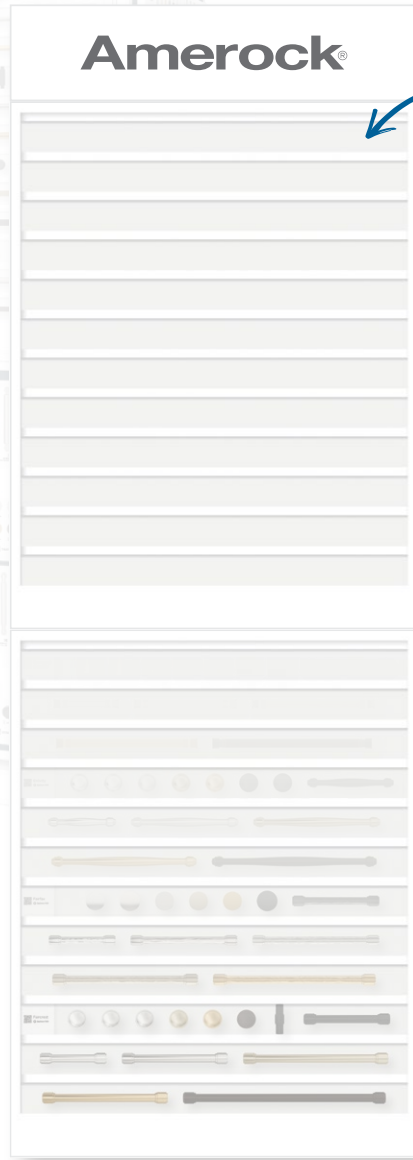

Dimensions: 18in L x 14in W x 2-1/4in D

Optional Lid (Sold separately)

Part No. CDB19047

☰ Each 12-row panel holds up to 4 hardware kits

💧 = Coordinating Bath Accessories

Step 1: Create your footprint with blank interactive panels

Choose from wall or tower display options that **incorporate our latest 12-row interactive panels**. See p. 9

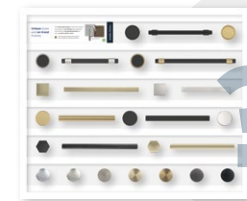

Step 2: Curate your offering with cabinet hardware kits

Each 12-row interactive panel holds up to 4 hardware kits (p. 17-19). Thus, the two panels shown on the left could hold 8 hardware kits, showcasing up to 16 collections.

Looking to update legacy 6-row interactive boards?

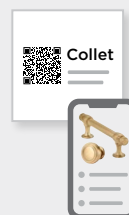

See compatible cabinet hardware kits on p. 45-47.

Features for smooth selling:

Collection & profile number for each product is printed on its acrylic backer.

Each hardware kit includes a label for the interactive panel, which shows:

- Collection name
- Available appliance pulls or bath accessories
- QR code for users to explore more details on Amerock.com
