

Healing Wind Therapy Wand

Multiple Therapies Delivered Directly To The Body Simultaneously

Far Infrared Light Heat
Negative Ions
Terahertz Crystals
Red and Blue Light Therapy
Pulsed Electromagnetic Field (PEMF)
Vibrational Therapeutic Sound Frequencies
Warm Dynamic Air Flow

Benefits

Pain Relief for muscles, joints, and all aching areas by removing coldness and dampness
Cellular Detoxification of harmful substances, drug residues and old cells
Immune System Boost happens with each session
Improves Circulatory Health by softening muscles and vessels to allow better blood flow
Cell Restoration by repairing damaged cells with lost electrons and hydrogen bonds
Cell Activation by stimulating mitochondria and stem cells to produce new, healthy cells
Increased Energy happens with the release of toxic burden
Increases Microcirculation with soothing, dynamic, warm air flow
Increases Metabolism by clearing the lymphatic system and inducing hyperthermia
Cell Polarization activates dormant cells and aligns body energy flow
Diseased Cell Removal targets damaged cells while assisting healthy cells
Anti-aging happens naturally with cell revitalization and the stimulation of collagen production

Treatment Session

The treatment takes 30 minutes and is applied to bare skin or through thin clothing.
Cost: \$35 per treatment
