

haloPocket

Personal Portable Halogenerator

Introducing the world's smallest
halogenerator.

haloPocket is easy to use, fast and effective.
It's great for those who travel, want
treatment on demand, or are unable to get
to a salt room.

Halotherapy anytime, anywhere.

haloPocket is a state-of-the-art handheld halogenerator that effectively delivers
the same Halotherapy as full size units yet fits in your pocket or bag.

haloPocket comes with everything needed to do
hundreds of salt therapy treatments.
