

NGL and Global Contracting Guidelines

Option1:

Click either Global Atlantic or NGL contracting link below. Save the contract on your computer and complete it later.

Option2:

Click either Global Atlantic or NGL contracting link below. Complete the online package on this website. Download the completed contract, by clicking the download arrow top right corner of the page, click on "with your changes". Save the contract as you would normally do with any other document. You must save your contract before closing the web-based contract, or you will delete all your information.

Special Notes:

Do not run a copy of the contract and scan back into your files. You must use the downloaded copy from this website. No other format will be accepted.

Email completed contract and other requested items to submit@alternativelegacy.com.

Do not fax any part of the contracting

Google Chrome is the preferred browser

Do not fax or email contracting directly to the insurance carrier

If you have any questions call your upline Manager that referred you to this contracting page
