**PROGRAM AD & CORPORATE SPONSORSHIP ORDER FORM**

Dance Works is proud to present our 2021 Fundraiser Showcase with featured guest performances by the iconic world renowned PILOBOLUS dance company to benefit The American Cancer Society's Making Strides Against Breast Cancer and The Joe Torre Safe At Home Foundation. Due to the pandemic, the 17<sup>th</sup> annual production will be held virtually on Sunday, March 21, 2021, 4pm.

All American Cancer Society, Joe Torre Safe at Home Foundation, and Dance Works friends, families and community members are invited to support this exciting production by placing an ad in the performance program journal which will be seen by all audience members, as well as sponsorship mention on social media.

Proceeds from ticket sales for this event are going to these causes. The Joe Torre Safe at Home Foundation was created in 2002 to help people experiencing domestic violence as Joe did while growing up. Not everyone is safe at home. For more information see joetorre.org. The American Cancer Society's Making Strides Against Breast Cancer (<https://www.cancer.org/involved/fundraise/making-strides-against-breast-cancer.html>) funds break-through research, 24/7 support for patients, and access for the underserved to life-saving screenings.

Place your order now to help us lay out the program in an orderly manner. Don't miss your chance to send a message to members of the community and to readers of our program.
