March 14 - 18th (Monday - Friday) - Spring break
May 19th Thursday Awards ceremony/ End of semester

Co-Teacher Trainings

The Lord has called each parent to teach their children in some capacity. If you've chosen The Oaks, you've decided to co-labor or co-teach your child and the Lord is already equipping you for this journey. We will also facilitate an orientation and equipping day to give you the tools and logistical information (the processes and lesson plans that we use) you need to succeed this year. The co-teacher training is mandatory for parents (at least one per family) to attend. This will be a time of preparation and encouragement. We intend to have ongoing parent training throughout the semester to maintain a strong support system for parents. Expect one additional co-teacher development training session a quarter.

Community Events

It is our desire to foster a community of like-minded families who raise kids to become passionate followers of Jesus, pursue excellent academics, and have fun together. We hope to host community events such as a Back-to-School Bash, Fall Family Picnic, Chilli Cookoff, and end-of-year Field Day. There will be room for parent-led ongoing community events that we will pursue in the future as we have interest, such as prayer meetings, moms coffee, and etc. Parents will have the opportunity to organize and coach extracurricular activities and sports in the future as interest in the school arises.

Holidays

We have a short fall break, Thanksgiving break, and an extended Christmas break, and spring break. We will observe major holidays that fall on campus school days.
