

Meet Jay Kent and Family Owner of Elkwood Stone & Mulch, LLC *Your Hometown Landscape Supply Yard!*

Elkwood Stone & Mulch first opened its doors on April 8, 2014 by its dedicated owner, Jay Kent. He was drawn to the beautiful historic location right off of Rt. 29 and decided to bring his own natural element to the Culpeper community.

Jay, having extensive experience in residential excavating and construction, knew that this was a spot where he could create and provide something different for the community. Something that the corporate giants did not offer... unique products, one on one customer service and true product expertise!

"We know our products inside and out" said Jay. "We can help you plan out your next out-door space. We can advise you on how much you will need and all the components that come with it, and we can refer you to local designers and installers who will make your vision come to life!"

Elkwood Stone & Mulch is a family owned and operated business that offers a wide variety of unique and natural stones to work with. They are a dealer for Cambridge Pavingstones, Belgard, Eagle Bay and Newline. They are also a dealer for Get Real Stone and Cultured Stone by Boral and offer a wide variety of natural stone.

You will always be able to find superior hardwood mulch, enriched topsoil and compost, and a friendly staff member to help you out.

"A normal day for us can be very fast-paced, as we keep a steady base of customers. We like to call it organized Chaos"

Jay also has a heart for supporting our community in special ways. He is a supporter of the local Fire Departments, Sheriff's Offices and donates landscaping supplies to local schools and churches. Elkwood Stone & Mulch is also a huge supporter for the annual "Shop with a Cop" program that gives Christmas gifts to young children and provides them with the opportunity to make a positive connection with local law enforcement.

Don't be afraid to stop in and find the inspiration and tools for your next project, and be sure to mention promo "Hometown" for specials savings. Expires 10/31/20.
