Hello everyone...

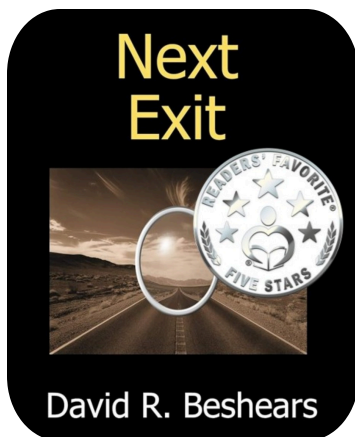

Thanks to all who have already responded to the survey that I recently sent out, the purpose of which is to give me a picture of those in our newsletter subscriber list, if not our fan base in general.

If you have yet to complete the brief survey, it's open for another couple of days. Six questions. I'd love to hear from you: [take survey](#)

### **Print Editions Available on ebay**

A reminder that author-signed paperback, large print paperback and hardcover editions of most of my books are available on ebay. These copies come from our direct-sales inventory that we take to book fairs and holiday fairs. Note that inventory is limited. Check out our ebay page: [greybeard publishing on ebay](#)

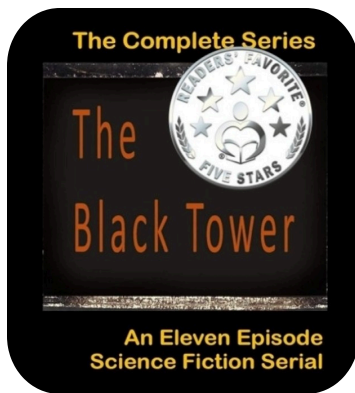

### Next Exit - A Readers' Favorite Five Star Recipient

The novella adaptation of [Next Exit](#) is the latest of our titles to receive the Readers' Favorite Five Stars award.

*"Suspense-filled mystery with sci-fi undertones, Next Exit is a surreal odyssey you do not want to miss. Author David R. Beshears layers the narrative with a healthy dose of tension and intrigue, building an engrossing plot that unravels its secrets one shocking reveal at a time, keeping you on the edge of your seat until the very end."*

- **Pikasho Deka for Readers' Favorite**

Please read the full review in the Readers' Favorite page on the [Greybeard Publishing](#) website. Thanks!

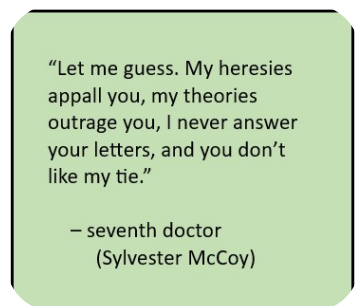

### Final Days! Black Tower Hardcover at 40% Off List

There are only a few days left to purchase a copy of the hardcover edition of **The Black Tower** directly from our distributor at 40% off list.

*"This is the kind of book that you might decide to read one episode a day, but once you start reading, you'll struggle to put it down. The threads of each story weave together, wrapping you up like a spider with its prey and holding on tight until you reach the thrilling conclusion."*

- **Anne-Marie Reynolds for Readers' Favorite**

Hardcover list price \$30.79 - **limited time only \$18.47**
