Greybeard Publishing News & Notes

Published Twice Monthly **Issue: November 01, 2026**

Greybeard Publishing | Author Page | Bluesky

Hey everyone...
Welcome to the first-of-the-month newsletter.

Now that we're into November, I figure it's time I get serious about the holiday season. Our library has a large window, and each year I paint a Christmas display, going back 25 years. I've painted everything from the Grinch to Nightmare Before Christmas to Charlie Brown to Santa and Rudoph to Shrek and many more. This year it's Winnie the Pooh. Once it's done I'll post a picture on my Bluesky page.

Black Tower Series on Audiobook!
All Eleven Episodes

The novel is the recipient of the **Readers' Favorite Five Stars award:** *"The threads of each story weave together, wrapping you up like a spider with its prey and holding on tight until you reach the thrilling conclusion."*

All episodes are available on audiobook, narrated by Jeffrey Fellin. Find links to all eleven on the **Specials** page on greybeard publishing

"It's the kind of story that's easy to get into and hard to put down… a little mystery, a little magic, and a lot of heart."

Gordon's Porch 3 Project Status

So… these past few weeks I've done my best to focus on working on **Gordon's Porch 3**, the final title in the **Gordon's Porch Trilogy**. While the writing will take just as long as it takes, when looking forward I'm guessing the publishing schedule will begin in mid-January with the Kindle ebook release, the other formats following over two to three weeks after that.

And for all the **Black Tower** fans out there, this does mean the development of the sequel is slowing down, with publish dates for all formats coming in early Spring. I'll have more info for you over the next few newsletters. What I've written so far looks great, if I do say so myself.

November Book of the Month
Highlighting a popular title from the Greybeard library

Mrs. Weddington's Yard
The quiet existence of a menagerie of animals is disrupted when Mother fails to show up one morning to care for them.

"David R. Beshears does a great job of capturing what animals may think or feel in Mrs. Weddington's Yard. I found myself caring about them and empathizing with their fears, which is a sign of good storytelling."

Recipient of the Readers' Favorite Five Stars award:
"Anyone who likes fantasy-driven stories about animals with a touch of heart will love this book."
– Jenny Alexander, Readers' Favorite reviewer
