Hello everyone...

As most of my titles are listed with the Kindle Unlimited (KU) program, I have up to now been restricted from offering the ebook format of my books anywhere else (no issue with print editions). Well, good news! There has been a recent change in KU exclusivity and I am now allowed to offer ebook editions to public libraries (other exclusivity requirements still apply).

I will be working with a third-party distribution platform to offer my titles to public libraries. This will require modifications to manuscript format, unique ISBN numbers and a number of other adjustments. As such, it will take a bit of time making each of my titles available. I will do my best to not let this impact the work on my current novel development project too much.

"The most wonderful thing about
Tiggers is, I'm the only one."

—Tigger (Winnie the Pooh)

This Issue's Quote...

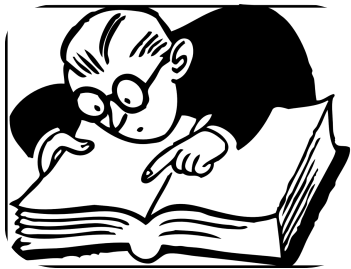

This one from the Winnie the Pooh universe is a lot deeper than you would think at first glance.

The Storekeeper Stage Play on Scriptmore

The stage play adaptation of The Storekeeper placed finalist in an international stage play competition, and is listed with Scriptmore, an online platform for playwrights, producers, directors and anyone in theater. It is available there to review. Check it out: [Storekeeper on Scriptmore](#).

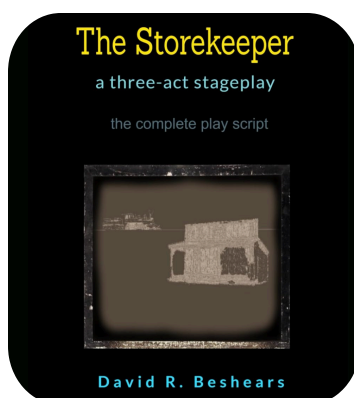

The novella adaptation is the recipient of the **Readers' Favorite Five Stars** award and is available in ebook, paperback and hardcover format at [Storekeeper on Amazon](#).

My Titles and the Readers' Favorite Five Stars Award

I submitted a number of my books to **Readers' Favorite** months ago in the hopes that a few might be reviewed. Books aren't assigned and there is no guarantee that a title will get picked up by a reviewer, and importantly no telling what they'll think of it if they do.

I have been fortunate that a number of reviewers have taken an interest and chose to give my books a read. To date thirteen of my books have received the **Readers' Favorite Five Stars award** and I really appreciate the great written reviews, from nine different reviewers. I encourage everyone to check them out. Head over to [greybeard publishing](#) and select Readers' Favorite from the menu. Thanks!

Storekeeper Stage Play in Paperback

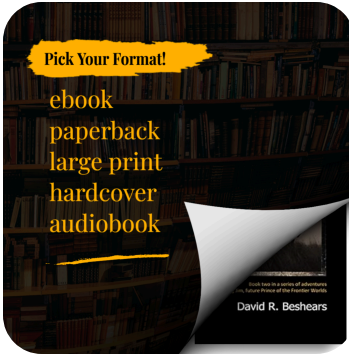

The properly formatted stage play script of The Storekeeper is available through the Scriptmore website, which is what you would want (and need) in order to produce the play. But for those who might be interested, I did manage to create and publish a paperback edition of the stage play, albeit with necessary adjustments in order to fit into book format. Not the novella adaptation, this is the actual stage play script inserted into a paperback. Curious? Info here: [storekeeper stage play](#)

Author Platform

You can find me on my [author website](#), on [goodreads](#), [bluesky](#), and [youtube](#). Links to all my author platform sites are on [greybeard publishing](#).

My books are available on [greybeard](#), [amazon](#), [barnes & noble](#), [ebay](#), [audible](#) and through many department stores online.

Available Book Formats

My titles are available in most formats, including **ebook**, **paperback**, **large print paperback**, **hardcover** and **audiobook**. Info and links are on [Greybeard Publishing](#) and on my [Amazon author page](#).
