

As you start to plan your upcoming reunion, isn't it important that everything goes perfectly as planned? At Professional Sounds, we have planned over 15,000 unforgettable reunions, parties, events, receptions, and ceremonies!

Our full-time professional disc jockeys will create a memorable reunion reflecting your theme and tastes, your activity preferences and a timeline of events. You'll hear your favorite songs and artists, in addition to requests taken live at your event.

We do so much more than just pack the dance floor with the best music and offer you the best personalized party planning. With Professional Sounds, you will also receive premium digital sound systems, the largest selection of free digital lighting, and professional announcers with the best DJ voices.

Consider us your professional announcer, DJ, entertainer, and host all in one. Our disc jockeys are experienced professionals in the art of entertainment that can engage your guests in dancing or take a lower key approach, if that is your preference.

Professional Sounds was given the DJ industry's highest honor by being inducted into the "Knot Best of Wedding DJ's in America" Hall of Fame. We were also selected as the #1 DJ Company for NW Ohio and SE Michigan by the Knot for the past 12 years in a row. Additionally, the Toledo City Paper gave us the Best DJ Company in Toledo award.
