Stream Assessment Framework

Congratulations on completing the Stream Assessment Framework! Your comprehensive stream discovery report is now ready to give you your best-fit stream matches.

Our award-winning career guidance framework and assessment tool have been developed by a team of some of the top psychometricians, industry experts and researchers in the world. It is the most accurate and valid career assessment, with a blend of advanced technology and millions of research data points collected from students from multiple demographics and cultures.

Our 4-dimensional framework, the first of its kind, has been tailor-made for students. These 4 dimensions together form the pillars of career guidance, and will help you make a scientific and accurate choice for career success.

Let's look at your results for each of these elements
& help you discover your perfect stream.

Your Orientation Style

What is **Orientation Style**?

Orientation style identifies what an individual is driven by. Understanding the orientation style will help you with career decision based on your dominant style of interaction with the surroundings.

Your Dominant Style

People Orientation

The scores obtained on this style inventory indicate that you are people-oriented. This means that you like to interact with people and have an understanding of their problems and needs. You are drawn more to seek close relationships with others. Your style indicates that you will be good in tasks in which you have to lead, direct and persuade others. You cooperate well with others and can express yourself clearly. You make friends easily and are observed as trustworthy, social and helpful at the workplace.

Your Secondary Style

Administrative Orientation

The scores obtained on this style inventory indicate that you are administrative orientated. This means that you are good with work tasks in which you have to deal with facts, number, records, files and data. You prefer to work in an organized systematic manner paying close attention to details. You would be good in tasks which require a high sense of responsibility and rule-abiding norms. You are good in perceiving the practical aspects of problem and solving it through rulebooks and guidelines. You may be observed as being practical, realist and organized at the workplace.

Your Orientation Style
