

# TARIFFS IMPACT ON US eVTOLs

Possible impact of US tariffs on selected eVTOL components, if they are not sourced domestically

## Possible impact of US tariffs on a US-produced eVTOL BOM

● BOM (no tariffs)    ● BOM (initial blanket tariffs)    ● BOM (pause blanket tariffs)

BOM= Bill Of Material, the cost of the aircraft  
 BOM with tariffs is worst case  
 All figures normalized to 100
