

Chapter 6 God's wrath begins; the Tribulation begins! (29)

In the opening scene of chapter 6 Jesus starts casting down judgements when He loosens the seals of the Scroll (the Mortgage deed to the earth) this is the 1st day of the 7 year Tribulation (my interpretation) BUT by no means does it mean it happens after the rapture. We cannot be sure how soon after the rapture it starts. The 7 year clock of God's Wrath on sinful Son rejecting world, can only start after the conditions are met that resemble "The Days of Noah" when people were eating and drinking, marrying and giving in marriage until the day that Noah entered the ark, and did not know until the flood came and took them all away, so also will the coming of the Son of Man be." (Matthew 24:36-39). - This means that people will be coming and going as they always have. When we read, for the first of many times, the events described in Matthew 24, Daniel 9, and Ezekiel 38 (only for now) we will also get added details such as "Israel living in Peace, without walls", "many false prophets claiming to be Jesus appearing... etc. It is therein that we also learn that at the onset "The anti-Christ will confirm (not necessarily create) a peace treaty with Israel for 7 years (the Tribulation period). We will read that after $3\frac{1}{2}$ years the anti-Christ will "desecrate the Temple and stop the sacrifices"; this means that the Temple has to exist and that the sacrificial ceremonies will resume. In Ezekiel 39 we will read: "Gog and the land of Magog will be destroyed - For seven years the people in the cities of Israel will burn the weapons of war - For seven months they will bury the dead -". (Then will come the supper of the birds we spoke about last week). This means the Gog/Magog war against Israel

must also happen very very early, possibly even before the Tribulation and the Anti-Christ using it to 30

Swoop in and be the world peace maker. (Again, ~~we~~ I can only base this on what we are given regarding time).

Of course the Anti-Christ (counterfeit Christ), the False Prophet (counterfeit Holy Spirit) and satan (counterfeit God the Father) are all present after the church is removed but ^{we} are not much background until towards chapters 11 + 13.

Also important to note that God's wrath is for a period of 7 years whereas God allowing the unholy trinity to wreak havoc can, and will, exponentially increase "once the Restrainer is removed" (2 Thessalonians 2: 7). "For the mystery of lawlessness is already at work; only He who now restrains will do so until He is taken out of the way" - meaning the Holy Spirit filled church).

Another important note: The anti-Christ does not have enough time to set up a One-World Government, One-World Economic Forum (or digital currency) nor does he have time to set up a One-World religion. This is why satan has been allowed to start to set up the W.H.O, W.E.F, and false leaders have been allowed to set up ecumenical / ~~C~~^C~~O~~^O~~E~~^E~~X~~^X~~I~~^I~~S~~^S~~T~~^T religion. (notice we are the first generation to have ever been exposed to lockdowns and freedom removals. And the World Organizations realized how easy it is to get people to shut up and comply to nonsense regulations where logical resistors were shutdown, bankrupted, blacklisted or just plain locked up).

Now lets read the printouts Daniel 9:20-27,

Matthew 24: 1-31 and Ezekiel 38 and put a time line in our minds on how the Tribulation will look.
