

Our mission is to please our clients with our services, no matter the size of the project.

# CAPABILITY STATEMENT

## CORE COMPETENCIES

Victoria Hopps, the president, has been in the construction industry for over 12 years. She has extensive experience working on a variety of projects, such as schools, airports, and military bases to name a few. During the entire process of a project, from inception through development and construction, we stand side by side with our clients. We provide earthwork, underground utility services, demolition, site development, vertical construction, and hauling. As a Certified General Contractor, our trades are self-performing on a highly professional and integral level.
