The Scriptures in a Year

This daily reading schedule will take you through all the Scriptures in a year while following the traditional parashat reading schedule.

NOTE: The listed schedule follows the weekly parashot. Thus Deuteronomy Chapters 33-34 are omitted from daily reading as these are read during Simchat Torah (October 2, 2018).

The reading schedule was designed specifically for this organization. Please review first before distributing.

If you find any mistakes, please write to contact@kohebroots for correction. Thank you in advance.
