The Scriptures in a Year

This daily reading schedule will take you through all the Scriptures in a year while following the traditional parashat reading schedule.

NOTE: The listed schedule follows the weekly parashot. Thus Deuteronomy Chapters 33-34 are omitted from daily reading as these are read during Simchat Torah (October 2, 2018; October 19, 2019).

The reading schedule was designed specifically for this organization. Please review first before distributing.

If you find any mistakes, please write to contact@kohebroots for correction. Thank you in advance.
