

# Letter from the President

## March 1, 2023

Hi Folks,

Great things have happened since my last letter in November!

The best news of all is that we've reached our fund-raising goal for "Project Wolf Tracks"! Thanks to everyone's support and participation, we reached that goal this month. Soon as we reached it, the board wasted no time approving the purchase of a factory new Piston Bully 100 Trail. An order has been placed and we will be expecting delivery this November. How exciting is that!! This never would have happened without everyone's participation. A Giant Thank You goes out to all who donated directly to "Project Wolf Tracks" and to those who bought and sold raffle tickets. A great big thanks also go out to Eileen and Pete Probasco for organizing the two raffles and also researching and writing several successful grants. I can't express how monumental this accomplishment is for our Club. Thanks again to everyone for participating and supporting this effort.

**Wolf Pack Weekend** is coming!!! It will be here **March 11<sup>th</sup>**. Looks like it will be an exciting time once again. There will be a guided ride to Tolsona Lodge all on fresh groomed trails. We'll meet at the Lake Louise Lodge then leave at 12:00 o'clock sharp on the Tolsona Trail, with stops along the way. Once we get to the Tolsona Lodge, we'll be treated with a taco bar for \$15 each and your favorite beverages will be available as well. The plan is to return back to Lake Louise by around 4:30 pm. As always, we encourage all riders and abilities to come along.

Once back to Lake Louise, Lake Louise Lodge will have prepared delicious spaghetti dinner for \$25.

The live basket auction is shaping up to be big as ever, starting at 7:00pm. There will be a silent auction too, with lots of cool items. Don't forget about the "Pick-A- Plug" split the pot too. Baskets can be dropped off anytime at the Lake Louise Lodge and if you have any questions contact our auction coordinator Kristina Murray (907) 244-2105.

The auction will finish up around 9:00, then live music by "Whiskey- Jack" will take over and entertain us the rest of the evening, till whenever.

Thank you,

Harry Holt, President
