

2020 Membership Letter

Hello Everyone.

Well Mother Nature is back to her old self. We have had weeks of sub zero weather. The up side of the cold weather is that it should freeze up the over flow that was showing up everywhere. The down side is we have not been able to start grooming. To groom, it needs to be above zero for the snow to pack down. It is also a safety issue for our operators in case of a break down and the cold is hard on equipment.

Wolf Pack weekend is **March 7th**. Our guided **Trail Ride** will leave from **Lake Louise Lodge** at **12 noon** and will be heading to Crosswind Lake for a wonderful lunch at Doc & Chico's.

This year the **Basket Auction** will be at the **Point Lodge**. The auction starts at **7 PM**. We have live music by Roger after the auction.

Our **Annual Membership Meeting** will be on Saturday, **April 4th** at **1 PM**, location not determined at this time.

If you are not a life member it is time to renew your membership. It is getting more important than ever to get our membership numbers up as trail funding gets harder to come by. You can check your current membership status on the web site or give me a call.

If you are not a member, we invite you to join. Our website is www.lakelouisesnowmachineclub.com and has all the information about the Club and our activities. There you can join the club using **PayPal** or you can join by mailing the attached form. Current members please give this application to a non-member.

Our trails always need brushing; it can be a nice family outing or just a way to kill a few hours. Everyone can help, from throwing cut brush off the trail to cutting down trees. We have all the equipment available. Pruning shears are easy for anyone to use.

Thanks, Randy Arndt Treasurer LLSMC 907-355-9559 for membership questions.
