

Lake Louise Snow Machine Club – Wolf Pack Board Meeting
September 29, 2021 – Approved Minutes

On September 03, 2021 Pete Probasco was asked by President Harry Holt and Treasurer Randy Arndt to conduct a LLSMC Board Meeting via email to ask Board Members approval to add Eileen Probasco as a signature to the LLSMC Bank Account. The following email was sent to all Board Members on September 03, 2021.

Good Afternoon Board Members,

Randy and I would like to make a motion to add Eileen Probasco to the LLSMC Bank Account. This is necessary, due to the fact that Eileen is leading the effort to secure funding for the new snow groomer and is also the lead on the \$100.00 raffle. Randy and Ester will be flying south in October, which will leave only Harry to make deposits, write checks, etc. Please respond to this email (ASAP) with your response, yes or no. The bank will not allow Eileen to be on our account unless we have minutes which reflect this. Thank you

*Respectively submitted,

Secretary, LLSMC

The following Board Members responded in the affirmative to the motion; Harry Holt, Randy Arndt, Pete Probasco, Mike Fassler, Eric Carlson, Donald Snovel, and Mike Andersen. Board members John Delaquito, and John Hicks did not respond. The motion carried 7 in favor.
