Community Resource Guide

We at the Somersworth Housing Authority realize that the wait time for Public Housing &/or Housing Choice Voucher (Section 8) Program can be lengthy. Our agency professionals recognize that there are times when the need for support and assistance may be more immediate than we can provide at the time of application for affordable housing.

This brochure is a beginning guide to agencies in the Somersworth, Dover, Rochester and Portsmouth area that offer a variety of services/assistance. We hope you find it helpful.

The bulletin board and information stand in our lobby offers additional community news, resource information and free literature, as well as locally available apartment rentals NOT owned or managed by Somersworth Housing Authority but by private persons or enterprises.

In this brochure, you will find listings for:

- Other NH Housing Authorities
- Community Service Agencies
- Community Health Care Agencies
- Mental/Behavioral Health Agencies
- Food Pantries/Soup Kitchens
- Shelter Resource Agencies
