# WHO WE ARE

## About Neucor Civil

Neucor Civil is a division of Neucor Construction, a trusted name in South Florida's construction industry since 2010. Specializing in civil construction services, we are committed to delivering projects that embody our core values: precision, quality, and progress. Our multidisciplinary team brings together expertise in architecture, engineering, and construction management to provide comprehensive solutions for our clients.

## Our Mission

To provide exceptional civil construction services that meet and exceed our clients' expectations, ensuring projects are completed on time, within budget, and to the highest standards of quality.

*Our Services*

## COMPREHENSIVE CIVIL CONSTRUCTION SOLUTIONS

At **Neucor Civil**, we offer a full spectrum of civil construction services tailored to meet the unique needs of each project:

- **Site Development:** Clearing, grading, and preparing sites for construction.
- **Underground Utilities:** Installation of water, sewer, and storm drainage systems.
- **Roadway Construction:** Building and resurfacing roads, including curbs and sidewalks.
- **Concrete Work:** Foundations, slabs, and structural concrete services.
- **Erosion Control:** Implementing measures to prevent soil erosion and manage stormwater.
