Local Business Owner Joshua Greene Named to NSBA Leadership Council

WICHITA FALLS, TX – Joshua Greene, President of Greene & Greene Group, LLC, based in Wichita Falls, TX, was recently named to the National Small Business Association (NSBA) Leadership Council. NSBA is the nation’s oldest small-business advocacy organization, and operates on a staunchly nonpartisan basis. Mr. Greene, a recognized leader in the small-business community, joins the NSBA Leadership Council alongside other small-business advocates from across the country as they work to promote the interests of small business to policymakers in Washington, D.C.

"As a small-business owner, I experience firsthand the daily impact of laws and regulations on our operations," said Mr. Greene. "By joining NSBA’s Leadership Council, I aim to bring the concerns and needs of small businesses like mine directly to Congress, ensuring our voices are heard where it truly matters."

Joshua Greene is the owner of Greene & Greene Group, LLC, a service-disabled veteran-owned small business (SDVOSB) based in Texas. His company specializes in government contracting for federal, state, and local government contracts, focusing on national security, defense, and technology. With nearly 20 years of professional experience, Mr. Greene is a combat veteran and former civil service employee for the Department of Defense. He holds a bachelor's degree in biomedical engineering and a law degree from Texas A&M University specializing in intellectual property law. Licensed to practice law in both Texas and Washington, D.C., he dedicates his spare time to pro bono legal work for veterans.

Mr. Greene joined the NSBA Leadership Council as part of his efforts to tackle the many critical issues facing small business, including tax reform, regulatory restraint, health care costs and how access to capital will impact small business. The NSBA Leadership Council is focused on providing valuable networking between small-business advocates from across the country while ensuring small business a seat at the table as Congress and regulators take up key small-business proposals.

"I am proud to have Joshua as part of our Leadership Council," stated NSBA President and CEO Todd McCracken. "He came to us highly recommended and I look forward our coordinated efforts for years to come."
