### IN TIMES OF CRISIS....WE RESPOND!

As we enter our 110th year, the members of the Alpha Volunteer Fire Company would like to thank the residents of the Borough of Alpha for the continued support of our organization. We are proud to be a 100% volunteer organization, and are financially supported by significant in house fundraising activities, support from the Borough of Alpha and our elected officials and contributions from local residents. With your continued generosity, the Alpha Volunteer Fire Company continues to answer the call, interrupting our lives and leaving family, friends and work for those in need.

In early 2023, the fire company purchased 20 sets of turnout gear to replace current gear that has exceeded its recommended life span. We were fortunate to obtain a grant to offset some of the costs, however the majority of the cost for this new, lifesaving equipment fell to the fire company. For this year's fund drive, we will ensure any contributions received will be used to purchase additional turnout gear for more members who are still in need of a replacement. Your tax-deductible donation will go directly to ensuring your friends or neighbors have the best protection possible while protecting you and your family.

The members of the Alpha Volunteer Fire Company encourage youth in our community to become involved in community service and volunteerism. We offer a cadet firefighter program for anyone 14-16 and a junior firefighter program for anyone 16-18. We are also always looking for additional adult members interested in protecting their community, either as an Interior Firefighter, or as an Exterior Fireground Support member.

Our true success emanates from the support of our community. Your generous tax-deductible donation may help save the life and property of a loved one or neighbor.
