

## ARGUMENTS

### "Maximum Water Retention – Simple & Efficient" JUMBO BLOCK®

Why Choose the JUMBO BLOCK® System?

- ✓ **Effective Flood Protection** – Reliable defense against urban flooding.
- ✓ **Combatting Water Scarcity** – Ensures sustainable water availability.
- ✓ **Comprehensive Water Management** – Smart integration for efficient resource use.
- ✓ **Environmental Protection** – Supports ecosystem resilience amid global changes.

JUMBO BLOCK® is more than just a solution – it's a **future-proof system for water security and environmental sustainability** in an ever-changing world.

### Smart Infrastructure for Every Project

JUMBO BLOCK® provides **maximum flexibility** for urban planning:

- ✓ **Space for utility networks** (water, electricity, fiber optics)
- ✓ **Fully load-bearing (F 900) & traffic-ready**
- ✓ **Modular & scalable** – fits any project size

### Advanced Flood Protection & Water Management

With climate extremes increasing, JUMBO BLOCK® is the **proven solution**:

- ✓ **2,224 liters/m² retention capacity**
- ✓ **Prevents flooding & water shortages**
- ✓ **Optimized water use for cities & industries**

### ⌚ 80% Faster Installation

Precast modules eliminate **lengthy on-site concrete work**:

- ✓ **Quick setup** → **Fewer roadworks & closures**
- ✓ **Immediately traffic-ready** → **No curing time required**
- ✓ **Lower costs** through reduced construction time

### Sustainable & Eco-Friendly

JUMBO BLOCK® helps **preserve resources & protect nature**:

- ✓ **Plastic-free, CO<sub>2</sub>-reduced concrete**
- ✓ **100% recyclable & reusable**
- ✓ **Soil-friendly** – protects the micro-ecosystem

### ✂ Versatile Applications

JUMBO BLOCK® is **adaptable to various needs**:

- ✓ **Urban Infrastructure** – Roads, plazas, parks
- ✓ **Industrial & Commercial** – Water reservoirs, fire protection
- ✓ **Agriculture** – Irrigation & erosion control
- ✓ **Private Use** – Retention areas, rainwater storage

## ARGUMENTS

### "Maximum Water Retention – Simple & Efficient" JUMBO BLOCK®

#### Future-Proof & Smart Integration

JUMBO BLOCK® is more than a product – it's a **long-term water security strategy**.

- 💡 **Unmatched planning flexibility & scalability**
- ✓ **Advanced flood protection for generations**
- ✓ **Seamless integration with Smart City & IoT systems**

**Want to know more? We're happy to assist!**
