The POTENTATE'S MESSAGE

Greetings to all Nobles and Ladies.

I hope you all had a very merry Christmas and wish you a happy new year.

This will be my last article as your Potentate. Serving as your Potentate, and Amy as your First lady, has been our greatest honor. We have both tried to serve you in the best way possible. 2020 was a challenging year for all of us. Many difficult decisions had to be made in order for Abdallah to continue to function in the midst of the worldwide pandemic. I hope you all understand that every decision I made in 2020 was meant in the best interest and safety for all of you. Not every decision I made was popular, but I tried my very best. While many events were cancelled and many of my intended missions did not come to fruition, I would like to point out some of the things that we did accomplish that I am very proud of.

We were able to update the paint the main hall, replace the aging curtains, lighting and AV system were upgraded in the main hall. We were able to replace the flooring on the first floor. We were able to bring much needed updates to the building manager's desk with a new chair, cable TVs, and a monitor that is connected to the video surveillance system along, with some cosmetic changes that allows the building managers comfort at the desk. We updated the paint and flooring in the activity room along with new wood baseboards and chair rails. We used the old TV's that were removed from the main hall and added those monitors to the Potentate's office to use for PowerPoint presentations and also incorporated in the video surveillance system. We purchased a new hospital transportation van. We replaced an air conditioner on the roof. While all of these upgrades cost a lot of money, this money was well spent on the much needed improvements. These updates will help to recruit potential new Nobles and their ladies in the future.

I want to congratulate Potentate Elect Chris Zugelder and his wife Mindy and all of the rest of the Divan for 2021 on their being elected as your leaders for 2021. I am confident you all will do great things in 2021! The dedication the Divan has for the betterment of Abdallah is unmatched. I am leaving you all in good hands.

As I have stated before, and I will always speak about, I believe Membership is the only way Abdallah continues to function and thrive going forward. I hope that in 2021, membership will be a renewed endeavor for our organization. Please get out there and wear your Shrine shirts proudly, talk amongst your friends about all the fun things we do, get the word out about who we are, who Shriners are. Wear your fez in places that you would not think to. I promise you, because I have experienced it firsthand, if you wear your fez at the airport or at the mall, you will get people talking and people will come to talk you about their grandpa or uncle who had a fez. Don't be scared to tell them about who we are and what we do. You might be surprised, that by just wearing your fez, you might get a new Noble to join. Please consider going back to your blue lodge and get involved. Not only will you make more friends and meet people you might not have known before, but you may find men who would make great Shriners. As the old saying goes, you are not going to get new members at the Shrine. I admit, that over the last few years with my increased responsibilities at the Shrine, I have not been a very dedicated Blue Lodge Member, but I will work on attending both of my blue lodges in the future. As you all know, I will now have a lot more time on my hands!

I want to thank Illustrious Sir Kevin Larson and his lady Carolyn for putting us on the progressive Divan line and giving us this opportunity to serve all of you. Even though we were not able to have a Potentates ball, I want to again thank the ball committee for their time and dedication that was put into planning for the ball. It was going to be a beautiful event. Amy and I were very disappointed that we could not safely have the ball. I want to thank the Nobles and Ladies that volunteered to be Potentates aides this year. Even though the duties this year were very minimal, the events we did have were a class act. As mentioned in previous articles, I again want to thank the 2020 Chief Aid, Noble Ralph Anderton and his lady Linda. I am really disappointed we could not of had more events this year because the events planned by Ralph and Linda were going to be new, fresh and beautiful. I am just disappointed we were not able to see those ideas and share with all of you.

(continued next page)

(continued from previous page)

I want to thank Illustrious Sir Ed McConwell for his dedication to the betterment of Abdallah. Many of you may not know, all contracts and other items that involve any temple business is reviewed by legal counsel to ensure we are not obligating Abdallah to something that could potentially be negative. Illustrious Sir Ed donates his time to review these documents. This year we were able to negotiate the potential selling of our field. Illustrious Sir Ed participated in dozens of phone calls, teleconference meetings, document reviews and many calls from me. Again, Illustrious Sir Ed, thank you for all that you do for Abdallah. Your hard work goes unnoticed by many people, but it's very much appreciated by me.

Now that a vaccine for this horrible virus is being administered into the community, I hope that all Nobles and Ladies plan to resume your Unit and Club events when it's deemed safe to do so. Please bring back the dances and fish fry's and motorcycle rides and all of the other fun events that many of us look forward to. We have all missed those events and I hope that all of you plan to do so in 2021. One thing that I always hoped we could do better was our participation in parades. Parades are the best, cheapest and easiest way for the public to get know who we are. Yes, when we are in parades all the public sees are those guys wearing the funny hats and driving little cars and motorcycles, however, if the public thinks that we do is fun and they want to see what we are, they will see our wonderful hospital system and all the good works we do for our community.

I want to thank my Lady Amy Wilson. Amy has been a very dedicated Shrine Lady serving all of you for the past ten years. Amy has dedicated hundreds if not thousands of hours to serving the Nobles and Ladies of Abdallah. Amy has worked many tireless hours at the rodeo and demolition derby over the years, leading the ticket takers, working in food tents and the last few years coordinating all of the food being served at all of the food tents. Amy has planned and coordinated many beautiful and fun events that all of you have had fun at. Without the love and support that Amy has given to me, and given to the Abdallah Nobles and Ladies, I would never have been able to get to 2020 and complete 2020 as your Potentate. Amy, you are my best friend and I thank you for everything you have done to support me over the last ten years. You are the best lady a man could have. I am blessed to have you in my life. Thank you for letting me do this over the last ten years.

Nobles and Ladies of Abdallah, Thank you all for allowing me to serve all of you. Let's get over all of the terrible events that have occurred in 2020 and have a great 2021.

Thank you! Thank you! Thank you!

Thank you from the bottom of my heart to all of the ladies of Abdallah for making me feel appreciated and honored to serve as First Lady of Abdallah. Despite the curve balls we have been thrown this year, the Divan Ladies, especially Mindy Zugelder, were still able to host a First Lady's Appreciation event. Although many were unable to attend the virtual event, I am hoping you were able to view the slideshow on Facebook. It was amazing to see all of the photo memories I have shared with many of you ladies, some of whom are no longer with us. It definitely brought tears to my eyes to think of all of the friends I have made and all of the fun we have had since being able to be a part of this organization. Each and every one of you have selflessly shared your time and talents to make Abdallah a wonderful place. Thank you all for all of the gifts, kind words, and most of all, your friendship. Although our time on the Divan is about to come to a close very soon, we hope to continue to call Abdallah our second home. Again, thank you for allowing me to serve as First Lady for Abdallah.

With love, Amy

By Jerry Ogden,

No resolutions this year, just some reflections that might be worth considering.

'Gossip'

Gossip is the art of saying nothing in a way that leaves practically nothing unsaid.

'Rumor'

The greatest trouble with the idle rumor is that it doesn't remain so.

'Liar'

The biggest liar in the world is "They Say."

'Remark'

To reply to a nasty remark with another nasty remark is like trying to remove dirt with mud.

'Mistake'

Anyone can make a mistake. A fool insists on repeating it.

'Rights'

Don't be so concerned with your rights that you forget your manners.

'Truth'

A half-truth is usually less than half of that.

'Another Truth'

It does no harm just once in a while to acknowledge that the whole country is not in flames; that there are people in this country besides politicians, entertainers and criminals.

'Inferior'

Remember, no one can make you feel inferior without your consent.

'Scales'

The injuries we do and those we suffer are seldom weighed in the same balance.

'Ideas'

Don't dismiss a good idea simply because you don't like the source.

Finally, this one – 'Treat others like you want to be treated'. That sounds remotely familiar, huh?

May you have a God Blessed year. We all should since God has already blessed it.

Amen

Sending Condolences to all of our friends and family we have lost in the past year.

Wishing everyone the Happiest of New Year. 2021 got to be a better year.

Happy Birthday to all Shrine members and their ladies that have birthdays in January.

This is a short story about how Tommie Nibarger became a Mason and a Shriner.

Donnie Reel passed away Friday November 20th, in Parsons, Ks. Donnie was a close friend of Tom's and is the reason Tom became a Mason and a Shriner. Donnie transferred his membership from Mirza to Abdallah where he was a member for several years until his health prevented him from making the drive to attend events. He and his wife Vickey loved attending the dances and other events. Donnie was a member of Parsons Lodge No. 117, A.F. & A.M. and served as Master in 1987. Donnie loved being a Mason and a Shriner. He was a good man, always willing to offer a helping hand. He was a great friend to us and he will be missed.

2021 Officer Installation

The installation of the Abdallah Shriners 2021 Elected Officers will take place on the evening of Friday, January 15, 2021. Unfortunately, due to the restrictions on gatherings by the Johnson County Health Ordinance, this will not be an open activity. As we must limit the attendance to 50 persons, only to the 2021 Elected and Appointed Officers along with the Installing Officers, the officers ladies and a few special guests will be invited to attend. If you do not receive an invitation, please don't show up anyway, we must comply with the limitation of 50 attendees, as we'll have to send you away.

We are planning to allow those not in attendance to view the proceedings via Facebook live and possibly YouTube.. Details on how to watch will be provided in the Weekly Update on January 10th. We're still working on those details..

In place of the annual Potentate's Reception, we have a "Drive Through" Reception planned. Please see the next page for more information.

Presidents & Directors Meeting

The annual Unit and Club Presidents and Directors Meeting is set for Saturday, January 16th at 1 PM. The meeting will be held in the main hall so as to provide social distancing. Give \$100 and feel like a Million

Join the Shrine's \$100 Million Dollar Club

The \$100 Million Dollar Club is a way for Shriners and non-Shriners alike to provide a gift of hope for a child in need. It's an excellent opportunity to personally participate in the "World's Greatest Philanthropy" — Shriners Hospitals for Children.

The Shriners operate 22 hospitals in North America dedicated to treating children with orthopaedic problems and burn injuries. There are 18 orthopaedic hospitals, three burn hospitals and one Shriners Hospital that provides orthopaedic, burn care and spinal cord injury care. All care and services provided by Shriners Hospitals are totally without cost to the patient or family.

Since the founding of Shriners Hospitals in 1922, about \$5.5 billion has been spent to provide quality and compassionate medical care to more than 675,000 children with orthopaedic problems, severe burn injuries or spinal cord injuries. Most of these services are paid for by the **Shriners Hospitals for Children** endowment fund.

Without this fund, Shriners Hospitals would not be able to ensure optimum and compassionate patient care. In order to meet the needs of thousands of children in need of the expert care Shriners Hospitals provide, the endowment fund must continue to grow during these times of increasing costs of medical care.

Since approximately 95 percent of the annual Shriners Hospitals for Children operating budget will be spent in direct support of the 22 hospitals, your gift to its endowment fund is a gift to one of the world's "purest" philanthropies.

Advertising

One of our principle fund-raising methods is to sell advertising and sponsorships that are acknowledged in the annual Kansas Shrine Bowl Program. We produce 1000 copies of the 300+ page book for the game that ensures state-wide distribution. In the Shrine Bowl Program, football players, cheerleaders, band members, managers, coaches, and trainers can be featured with a picture and short bio on a page with local advertisers and supporters. All participants and/or their families are invited and asked to help with this fundraising effort. Each participant is encouraged to set a fundraising goal, our recommendation is \$500. Our advertising packet is a great way to meet that goal.

We have designed the ad spaces to credit advertisers, supporters, and donors of every budget size. If need more forms please feel free to make copies. **You can also save time by completing your advertising orders at www.KansasShrineBowl.com/Advertise.** The Shrine Bowl office can produce the ad copy from the information provided, or the advertiser may provide the copy if they prefer. We can create the ads from business cards, other advertisements, emails or any other similar item. Computer generated ads and logos can be e-mailed to the Kansas Shrine Bowl office (secretary@kansasshrinebowl.com) in jpeg or PDF format.

We ask that advertisers and donors pay at the time of the sale, we can bill if it is necessary. Cash can be accepted for payment. The post office recommends not to send cash through the mail, most participants who receive cash will keep the cash and send in a personal check with a list of the cash receipts that it covers.

This grass roots project benefits the advertiser, the participant, the Kansas Shrine Bowl and Shriners Hospitals for Children.

When someone says to me "Great minds think alike", I just look at them and think "You dirty bastard"

My ability to remember song lyrics from the 60's far exceeds my ability to remember why I walked into the kitchen.

I told my wife how thankful I was to have someone I enjoyed being quarantined with. She said "must be nice."

OLDTIMERS

Table Cloths Reminder

As we have to pay for table clothes by the week, whether they are used or not, the Temple no longer carries an inventory. *(We actually pay the same per week, per table cloth, for them to sit on the self or to be used)*

They are now a special order item so, If you need table linens or table clothes for your event, they **MUST** be ordered 2 weeks in advance through the Abdallah Shriners office.
