Your update on Abdallah Activities

Corona Virus Update:

On Sept. 17, the Johnson County Board of County Commissioners voted to reaffirm Governor Laura Kelly's Executive Order 20-52 (EO-52) requiring Kansans to wear face masks in public settings.

Governor Kelly issued EO 20-52 on July 2, 2020 implementing a statewide requirement to wear masks or other face coverings in public. In a special board meeting on July 2, 2020, the BOCC voted to affirm the Governor's Executive Order. Due to the board's Sept. 17 vote, it remains in force in Johnson County until rescinded or until the statewide State of Disaster Emergency expires, whichever is earlier.

The Governor's order requires masks to be worn in public spaces. Masks are required outdoors when six feet of physical distance cannot be maintained. There are a number of exemptions, including for children 5 and younger and those with medical conditions that prevent mask use. Businesses open to the public are required to comply with the order.

More information can be found on the Johnson County website:
<https://jocogov.org/coronavirus-covid-19-update>

The 14-day moving average in Johnson County is coming down however it is still above 12% as of Friday. Therefore, Bingo is still on hold until further notice. We'll keep everyone up to date through the "What's Happening" system and on Facebook as well as continuing to update Bingo on the Google Calendar a few weeks at a time as we go forward.

Zoom is still available to any Unit, Club or Committee that would like to use it.

September 23rd – Coffee Club – 9am in the Activity Room.

Unit & Club Holiday Parties – Please get with the Shrine Office on your plans for any Holiday Parties. We would like to get any building room usage updated on the Shrine Calendar. Please do not assume history will prevail, as we have new office staff who are still getting use to tradition. Room usage will be on a first

come first served basis via advanced reservations

Remember the virus has not gone away so PLEASE, PLEASE,
continue to practice the recommended health directives
including PPE masks, wash and sanitize your hands and social distancing.

BE SAFE!
