## ***The POTENTATE'S MESSAGE***

Things are moving fast. It looks like spring is here and there are a lot of events on the horizon. We have been busy as a Shrine and it is not going to slow down much. The Ball was great fun. Lady Carolyn and I really enjoyed seeing everyone out and the committee did a wonderful job. We had a lot of visitors and they were impressed with the warmth exhibited by the temple. Thanks to everyone involved. Then we started the month with our "Family Feud Night" it was a blast, thanks to the hard work of the Assistant Rabban and his lady.

We have begun our parade season. The first two parades were showing of the green on the 12<sup>th</sup> and 13<sup>th</sup>. One cold day and one warm day, but lots of Shriners out and on the streets of our communities. Thanks all who came out. We also had our first after glow get together on Sunday. Special thanks go out to our Parade Marshal, Chris Harrison for getting things scheduled and to the Chief Rabban and High Priest for setting up our post parade get together.

There was also CSSA winter business secession in Wichita. We are set for a great time in August so mark your calendars now. Registration forms will be available soon. We will be at the host hotel the Hyatt in downtown. We have rooms blocked, but you will have to registered as the rooms are centrally managed. We will have a shared hospitality room with Arab. More details as it comes closer to the date. The next several CSSAs will be close, Wichita; then we go to Omaha; then Topeka, then in Kansas City Missouri and finally Des Moines was selected and approved. There will be a complete report at our April meeting.

Looking out the next two months, we have a temple clean up on 2 April and really hope to see a lot of folks so we can make quick work of what winter has left us. The next week is the Greeters with pancakes and a Shrine Center Blood drive topped off with the President and Directors meeting at 10 AM on the 9<sup>th</sup>. I am planning to spend no more than an hour, but it is important that every unit and club be represented. We will be looking for input on some changes that have been purposed in our operations. It is also the month that kicks off the units selling onions. Then we are right into May with Elvis Night, Cajun Dinner and finally Casino Night. Hope everyone can make these events. Not everyone can be at everything, but Di-van would like to have you at as much as the schedule permits.

Remember if you have questions, please let me know. I can try and get you an answer or at least we know there is a concern. If you get a chance, talk to friend who you have not seen for a while, maybe bring them to an event. WE can make it happen together.

*“1. Now faith is confidence in what we hope for and assurance about what we do not see. 2. This is what the ancients were commended for. 3. By faith we understand the universe was formed at God’s Command, so that what is seen was not made of what was visible.” Hebrews 1:1-3*

Faith, by definition, means a complete trust or confidence in someone or something. Each of us do have a faith in various things. As Masons, we have a faith in a Supreme Being, calling that Deity by whatever we hold fitting. I believe that my Deity is God. I have not seen God in my life time but I have seen Him at work. I have complete confidence that God is in my life, at work and never leaves my side. I trust that He is in control of whatever is happening around me and throughout the world. Certainly, many things that are happening and our behaviors are not a product of God. He sees what is going on, good or bad. I don’t believe God posses human emotions, such as happy or sad. Yet, I do believe God’s Grace and Compassion for us allows us to be fully human, make mistakes and be eligible for forgiveness from God. So, why are we so reluctant to admit to God that we made mistakes, ask forgiveness and trust that He listened to us and blessed us with His Forgiveness?

*“We have listened to Your word, Lord. Grant us ears to hear what You would have us know. We have watched You at work in the world, Lord. Grant us eyes to see what You would show us. You have touched us, Lord. Grant that we may feel Your presence, and follow Your guidance. Anonymous*

Amen

The Antique and Classic Cars Unit met March in the Oasis Playground. Patrick Emmett, Steve Christensen, Jim Smith, Ronnie White, and Bennie Harper were in attendance. We discussed the upcoming parade season and discussed our football player pick for the Shrine Bowl.

We will meet on April 6 at 6:30PM, again at the Oasis Playground. We will discuss upcoming parades and car shows we would like to attend. The unit is scheduled for BINGO on Monday, April 11. We'll look forward to your assistance that evening.

We are all healing from illness, injury, and surgeries. Still, we all know how to drive our cars and we look forward to seeing our Shrine brothers at April functions.

We welcome any and all Shriners to attend our meetings and off-campus functions. If you have any questions about our Unit, please feel free to contact Patrick W. Emmett 913-744-6347. We accept affiliates who are members of other units and would like to display their special vehicles at parades and car shows.

Respectfully Submitted,  
President, Patrick W. Emmett

## ***Message from Your Chief Rabban***

Your elected Divan went to Wichita, Kansas on March 11<sup>th</sup> & 12<sup>th</sup> to attend Central States Shrine Association (CSSA) Winter business session. We observed several other Abdallah nobles attending various Unit and Club sessions too. CSSA is where Shrines from Colorado, Missouri, Nebraska, Oklahoma, Iowa, Kansas and Arkansas congregate to plan the late summer CSSA activities and competitions. We get to meet with our counterparts from these other Shrine Centers to exchange ideas on activities and fundraisers. This year, we were honored to have Imperial Sir, Bill Bailey, Imperial Chaplin, Jerry Oliver, and Imperial Treasurer, Brad Koehn present. They provided great insight into both the philanthropic as well as the fraternal activities. Without going into a lot of detail, I'll just say the hospitals and our children's care are making tremendous progress in serving more children in more places than ever. You can, and should be, proud of the changes and challenges they are facing head on. Health care is ever-changing and Shriner's Children are not only making strides to change, but are leading the way.

There are changes occurring fraternally as well. The focus is to facilitate gaining new members. Shriners International membership is below 200,000 members. We have to change. Our goal is to attract a younger, family-oriented, community involved Nobles and ladies. To accomplish this, we're seeing new clubs forming to attract this younger demographic. Clubs from brew masters to drone flyers are being formed in some of our fellow shrines within CSSA. You might see one of these clubs appear at Abdallah soon. Just sayin...

By the way, if someone asks how many Nobles, we have in the Abdallah membership committee; the current correct answer is 593.

In March, Shriners had a presence at World of Wheels and thanks is to be given to Rick Horn Racing and the Abdallah Clowns for their participation. Motor sports programs are another way to generate potential new candidates. It's an excellent way to re-introduce and advertise ourselves to the Kansas City community. Remember, younger, family-oriented, community-involved.

Abdallah Shrine also had a presence at Kansas Grand Lodge on the 18<sup>th</sup> and 19<sup>th</sup>. It is not a fraternal secret, the more we assist Kansas Masons grow, the more candidates we have in our pool as potential Nobles.

Mark your calendars; April 9<sup>th</sup> is the Greeter's Pancake breakfast followed by the President's and Director's meeting. Even if you're not a President or a Director, come and have a good breakfast with pancakes, sausage & fraternal sociability. You cannot beat the price of \$5 anywhere.

Looking forward, May will be busy for Abdallah. Birthday Party, Elvis Concert, Cajun Party, Casino Night Raffle, Memorial Day Service and maybe a parade or two.

Thank you Nobles and Ladies from MaryEllen and myself. It is a pleasure and honor to serve you on the 2022 Divan. If you have any questions, recommendations or suggestions let us know. New ideas are welcomed and appreciated.

As always, may there be Peace in our time.

## The Importance of Lawn Mower Safety

### Shriners Hospitals Wants Kids to Stay Safe

Shriners Hospitals for Children® is committed to helping keep kids safe, and injury-free.

Although they may seem like a common household tool, lawn mowers are one of the most dangerous items in our homes. Thousands of people are hurt while using lawnmowers each year – these injuries can include deep cuts; loss of fingers, toes, and even limbs; burns and broken bones. However, many lawn mower-related injuries can be prevented by following some safety guidelines.

### Lawnmower Usage Safety Tips

#### Keep Children Safe

- Children under 6 years of age should be kept indoors during mowing.
- Make sure children are a safe distance away from the area you plan to mow because rocks and debris often can shoot out while the lawn mower is running.
- Keep a close eye on children when a lawn mower is in use. Make sure they do not run into the mower's path.
- Never allow children to play with the mower, even when it is turned off. A lawn mower is not a toy.
- Children should be at least 12 years old before operating a walk-behind lawn mower and at least 16 years old to operate a riding mower.
- Never allow children or any other passengers on a riding lawn mower because of the potential for falling under the mower and sustaining serious injuries.

#### Weather and Terrain

- Do not cut grass when it's wet because it can cause your feet to lose traction and slide.
- Do not use a mower on hills or slopes, to avoid having it tip over and cause injury.

#### Prior to Mowing

- Read your mower's instruction manual and familiarize yourself with the product prior to use.
- Use a mower with a control that stops it from moving forward if the handle is released.
- Clear your lawn of items such as nails, sticks, rocks, toys, sports entertainment, dog bones, wire and equipment parts, so the debris does not cause damage or hurt anyone.

#### During Usage

- Wear close-fitting long pants and long-sleeved shirts, eye protection and heavy gloves.
- Do not wear sandals or be barefoot. Wear sturdy shoes with good traction.
- Do not wear jewelry.
- Always fill and start lawn mowers outdoors.
- Never fill the tank with gasoline when the lawn mower is on or hot.
- Do not remove safety devices or guards on switches.
- Never reach underneath a mower because the blade remains engaged even when it is shut off.
- Do not mow in reverse unless absolutely necessary.
- To remove debris from mower use a stick or broom handle, not your hands.
- Always shut off the engine before leaving the mower unattended.
- Stay away from the engine cowling, as it can become very hot and burn unprotected flesh.
- Wait for blades to stop completely before crossing gravel roads, unclogging the chute, or removing the grass catcher.

To learn more, watch our animated educational video about lawn mower safety, available for viewing on our YouTube channel, [youtube.com/shrinershospitals](https://www.youtube.com/shrinershospitals), and share with your friends and family. In the video, Fezzy, our cute and cuddly Love to the rescue® ambassador and mascot, shares tips on lawn mower safety in a fun and engaging film for all ages.

Should an injury occur, the physicians and staff of Shriners Hospitals are here to help. For patient referral information, please call 800-237-5055 in the U.S. or 800-361-7256 in Canada. Both lines are staffed weekdays between 8 a.m. and 5 p.m., EST.

## Hello Friends!

Hope you are saving the date for our next Shriners Hospitals Charity Golf Event scheduled for Monday, June 6th, 2022. Abdallah Shriners raised \$24,000 last year with the generous help of our golfers, sponsors and volunteers and are looking forward to another successful fundraiser for Shriners Hospitals for Children again this year.

Our 2022 four-man scramble event begins with 11:00 am check in and 12:00 pm shotgun start at Falcon Ridge Golf Club. Falcon Ridge is considered one of the premier private golf courses in the Kansas City area, nationally recognized and rated as a 4 1/2-star golf course. Located at [20200 Prairie Star Parkway, Lenexa, Kansas](#), golfers of varying skill levels will enjoy the manicured, hilly terrain that challenges every aspect of their game.

Entry fee is \$150 per golfer and includes golf, cart, commemorative golf polo shirt, golfer pack with balls and tees, beer and soft drinks. Entry fee also includes a box lunch before the event starts and finishes up with a BBQ dinner. Registration deadline is May 16, 2022.

As usual, our golf event proceeds benefit Shriners Hospitals for Children and provides an excellent opportunity for sponsors to associate their brand with a world-renowned charity. Advertising with Shriners helps support a great organization as well as connecting companies to our loyal customer base. Various sponsorship options are available at every price point. We are grateful for any support from donations to advertising sales.

Please check [AbdallahGolf.com](#) for updates, registrations forms and sponsorship details. Questions? Reply to this email or call 913-787-7308.
