The POTENTATE'S MESSAGE

My sincere hope is that all Nobles, Ladies and their families are doing everything they can do to help each other out during these trying times with the Covid 19 pandemic. Out of concern for our Nobles and Ladies, we made the tough decision to postpone the Potentates ball from March 14 to August 8, 2020. The hotel, caterer, band and bus company all graciously agreed to let us change the ball date. The Ball Committee had already begun decorating the main hall and let me tell you what, it was starting to look incredible. I'm confident the ball in August will be awesome. Please consider coming out to the ball on August 8. The board has also decided to cancel all events being held at the temple through April 26, 2020.

With keeping our personal distance in mind, and so that we can try to keep in contact with each other, and to also disseminate information, we are working on plans to host meetings using an electronic format, called Zoom. When we finalize those plans, look for an email from constant contact on how to download and log in. We recently used

Zoom to have a meeting with both Abdallah and Ararat Board of Directors, and it worked out very well.

We recently returned from the annual Potentates trip to Costa Rica. What an incredible country to visit! 95 degrees, no humidity, no rain, great food and a beautiful resort. Our daughter, Shanelle, married Noble John Duke during the trip. The wedding was on the beach and was set right at sunset. It was a beautiful wedding, and a great trip. Amy and I would have loved to have had more Nobles and Ladies to attend the trip, but those that did attend had a great time. When future trips are planned, you should consider Costa Rica.

I would like to extend my sincere congratulations to the new Grand Master of Kansas, Tony Borum, who is a Member of Abdallah, and was installed on March 21, 2020. The Grand Master is very supportive of all appendant bodies of Masonry, and especially Shriners. I would also like to extend my sincere congratulations to a very dedicated Shrine Lady, Terri Phillips, who was installed as the Queen of EL Maat No. 120, Daughters of the Nile. The Daughters of the Nile do great things. Please go out and support Terri and her team this year.

We have the Demo Derby Casino night on May 2. This event has become a favorite event for all to attend. Please come out and support the Casino Night. This is the first fundraiser of the year to support the Demo Derby, which supports the budget for the Divan in 2021. It's a fun time, and helps the temple.

Start planning **NOW**, for Imperial 2020. If you have never had the opportunity to attend an Imperial Convention, now is the time to attend. We are co-hosting the event in Kansas City, with our brothers and sisters at Ararat, July 5 through July 9, 2020. There are many fun and unique events to see at an Imperial Convention. Please refer to www.imperial2020.com for schedules.

The upgrades to our main hall are almost complete. First Lady Amy and my Shrine Mom and Dad, Illustrious Sir Kevin Larson and Lady Carolyn, spent many hours steaming the new main hall curtains. Treasurer Mike Guilingier, Noble Ralph Anderton and Illustrious Sir Kevin Larson hung the new curtain rods and curtains, and they look incredible. The AV system upgrade is complete. We have a new laser projector; new, larger TVs; a new drop-down screen; and two additional microphone channels. These upgrades are not only important for our use but is imperative for us to be able to offer possible renters the ability to use this equipment.

Finally, THANK YOU for all that you all do to make Abdallah a great place. We have many dedicated Nobles and Ladies that make Abdallah great. I know that times like this our tough, and many people are worried. If you need help, do not be afraid to ask. If you need help, please call me, or Amy, or any member of the Divan or Divan Lady and we will get you the help you need, but you need to let us know what you need. We always say that we are a Shrine family, and now is the time to really show how much of a family we are. We can make it through tough times like these by leaning on each other. Please remember to call your fellow noble that you have not spoken to in a while. Call the lady without a noble that is living alone and see if she needs anything. Unit and Club Presidents, please call your members and check on them. These tough times will soon pass; this will make us stronger and more resilient. Abdallah and its members are strong and when we return to normal operations, I look forward to seeing you all and giving you all a great big hug!

Yours in the faith, Brian Wilson, Potentate

Words and their actions have power. We've had this discussion before. Let's use two specific words and explore what that power can look like. The words – encourage and critical. We'll use Webster's Dictionary for definitions first.

Encourage – to give courage, hope or confidence to; embolden; hearten.

Critical – tending to find fault; censorious.

For some, the act to encourage comes very easily and we always like to be around those folks. That's not to say we totally agree with everything they say and do, but they simply have a way of behaving that we find encouraging anyway. They give us hope and confidence in both them and ourselves. We see them as good people who seem to want what's best for everyone around them. They become great role models of how life can be fun, purposeful and rewarding.

For others, the need to be critical just seems to be a natural way of life for them, one that very few people much care for. Easy to find fault in how things are being handled by others. After a while, don't many of us simply quit listening or caring about that criticism that is not really going to fix anything but is sure to cause great harm, sometimes irreparably.

God created us in His own image. And he gave us free-will choice. I have no doubt that we could choose to be a lot closer to what He had in mind for us if we would just live our lives the best we can and be an encouraging influence for others within our families, communities and our beloved Fraternity.

I offer my own definitions for the fore-mentioned words:

Encourage – to be positive; to care; to have compassion; to remember that others were not made in my image.

Critical – to be negative.

Amen

The Escorts have been dark but that doesn't mean we have not been involved with Shrine activity and each other.

As I write, we have just returned from an Escort funeral. Earl Reavis, a long time Escort until he decided his riding days were over, passed away on February 25. He was a good man, a good Escort and a good Shriner. He will be missed.

Several of us have been able to get out and ride each month when the weather gave us a glimpse of what spring promises. We didn't ride very far but enough to whet our appetites for what is to come.

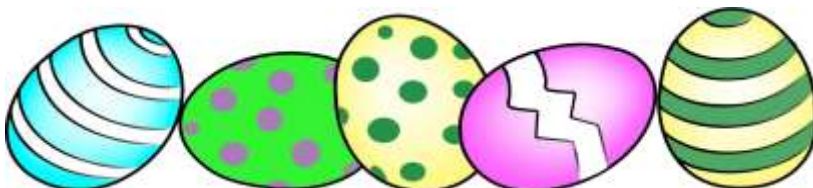

The most significant event of the winter was Ralph and Linda Anderton hosting us for a lovely dinner and a surprise birthday party...for me. Thanks to all that attended. It made a very special night for me that resulted in Marcella driving us home, a unique event itself.

Our first mystery ride is scheduled for March 28. We can't wait. Hopefully we will be in the wind and not in steel cages. We can't report on it because it is a mystery. We'll tell you about it next month. Ralph Anderton is putting it together and he always surprises to the upside.

THANK YOU!

I want to thank my Shrine Family and friends for their prayers, cards and support during Tootsie's illness and passing. You helped me through a very difficult time.

The social starts at 5ish and dinner is at 6:30pm with the business meeting at 7 p.m.. Meetings are short to allow more time for social as that is what we are about.

"Membership is the Key to Success"

How Abdallah Shriners is dealing with the COVID-19 Pandemic and the Johnson County order to stay at home.

Well, with the stay at home order and no gatherings larger than 10, we have had to close the Abdallah Shrine Building. Obviously this has made a major impact to our Bingo and Rental income and our investment income has been impacted as well. We'll have to adjust our 2020 budget accordingly.

Some of the things we have done to help reduce our day to day expenses are; making sure all room thermostats are set to 60 degrees or in some cases turned off. We have put our trash service on vacation hold. We have suspended our linen service so we are not paying for door mats, table cloths, mops and dust mops that we would normally rent on a weekly basis. With no activities, our water, sewer, electric and gas service bills should be reduced as well.

Our office manager Tina, is still working, and able to answer the phones and email, as well as keep up with the mail and pay the bills. Carolyn Merrick, who has been volunteering in the office is staying at home. Your Divan and Building Association Board is using Zoom to video conference. We're also looking at the service GoToMeeting. Zoom has been recommended by Imperial as a way to stay in touch and hold non-tiled meetings and GoToMeeting is similar and less costly.

We are looking to have Zoom or GoToMeeting accounts that can be available for Units, Clubs and Committees to use to hold virtual meetings. The Unit or Club officer needs to contact their Divan rep for details on how to use this option. You can also use the free version of Zoom which does have some limits. www.Zoom.us. Both products have free smart phone apps you can install.

The Abdallah Potentate and Divan will be using these services in the near future to host Temple wide web meetings so every member can join and listen in. It highly recommended that you look into the apps for your computer or smart device. You **do not** need an account, or need to purchase anything to participate or view the Abdallah Hosted meetings.

As the April Stated Meeting has been canceled, we will broadcast a web meeting, state of Abdallah, call it what you want, broadcast from our Potentate and several members of the Divan on Tuesday, April 14 at 7:30 PM. Details of how and when to login will be sent via Constant Contact in the Weekly Update before the meeting date. If you are not receiving the Constant Contacts, or know someone who is not, please have them send an email to the Shrine office, office@abdallahshrine.org requesting they be added. This is our fastest and simplest means to get the word out on almost anything.

As Abdallah Shrine Temple is located in Johnson County, we have provided the link below to the Johnson County Health website which has continual updates on the situation in Johnson County and the State of Kansas. You can copy it and paste in your browser. <https://www.jocogov.org/coronavirus-covid-19-update>

The next several pages are communications we have received from Shriners International that we wanted to share, with information on how they are handling the situation and recommendations on how we should handle it as well.

All of you please be safe and follow the guidelines for the prevention of spreading the COVIC19 virus.

TO: All Temples

FROM: John C. Piland, Executive Vice President

DATE: March 16, 2020

SUBJECT: Questions Regarding Temple Operations

As a result of actions and advice provided by federal, state or local governments, we have received a number of questions related to cancelling events or postponing meetings.

Shriners International is not suggesting that Temples stop or curtail their activities as the result of the Coronavirus. The decision to continue or cancel an event is left to the sound discretion of the Temple based upon the conditions that exist in your area as reported by your local public health officials.

You are able to review the most recent information provided by the CDC and local public health officials and also the business case for either proceeding with or cancelling a previously planned event.

Be sure you are working with your temple attorney to have him review the applicable contracts if you determine you will cancel some preplanned event. There may be significant legal ramifications and costs associated with unilaterally cancelling an event in which contracts are involved.

If you believe it is appropriate to postpone a stated meeting of the Temple, please send a letter to the Imperial Potentate through the Office of the Executive Vice President via email (jpiland@shrinenet.org) or fax (813-281-7103) requesting dispensation to do so immediately following such decision.

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: March 18, 2020

SUBJECT: Questions Regarding Grand Master's Edicts

Questions have arisen related to what a Shrine Temple should do in response to their Grand Master taking action related to "masonic activities" within their jurisdiction.

We believe it is in the best interests of the Shrine, our Members and the Masons within the jurisdiction to have the Shrine Temple adopt any restrictions on activities provided by the Grand Master. This approach provides clarity and consistency throughout freemasonry within a jurisdiction. It also promotes unity of action and demonstrates Shrine support of the Grand Lodge.

If a Grand Master cancels all masonic activities in a jurisdiction, we strongly encourage temples, clubs and units to abide by his ruling.

We also believe that Temple leaders should be and remain in close contact with the Grand Master for purposes of future planning. Certainly, the "emergency" has not yet abated and the future is anything but clear. If there are particular events or activities that Temple leadership believes should be excluded from the scope of prohibited conduct, we strongly suggest that a request for dispensation, along with excellent reasons supporting the request, be presented to the Grand Master for his consideration.

Certain meetings, such as **Divan or unofficial fraternal meetings**, might be held via ZOOM (an electronic meeting platform) without violating the letter or spirit of the Grand Master's edict related to activities. You are able to use the ZOOM platform, without charge to the Temple. You can obtain 40 minutes with up to 100 participants through the site listed here: <https://zoom.us/pricing>. **Please note: stated or special meetings may not be held electronically unless special permission is obtained from the Imperial Potentate, per section 324.1(d) and only if the proper protocol is followed.**

We remain convinced that Temple leaders are in the best position to make decisions related to the actions that should be taken to protect, but also to engage and encourage Shrine-Masons in a particular jurisdiction. The right answer in one area may not be the right answer in another.

Thank you for your service to the Shrine.

RE: Closing of Shriners International Headquarters

In response to concerns related to the COVID-19 virus, Shriners International Headquarters will close and move to a minimum staffing model beginning Wednesday, March 25, 2020 for the foreseeable future.

You should know that Shriners International will still be working! Our staff will continue SI business operations. Every effort will be made to continue to serve our Temples so that they may continue to serve their Nobles and their families during this period.

Please be patient with our staff as it is reasonable to anticipate less efficient operational performance during this period of transition and uncertainty. During this time, communicating with us via email is far preferable to attempting to reach a department or a particular staff member by phone.

You may also receive phone calls related to the business of Shriners International or Shriners Hospitals for Children that do not originate from our headquarters building. We will make every attempt to clearly identify ourselves so that you can have some confidence that our calls are legitimate. While the mail system remains a reliable way to make payments, you should be wary of faxes or emails that suggest you make any financial transaction, particularly electronically.

In times of emergency, families gather and bind themselves together. As a family of Shrine Masons, we are bound together by a stronger tie than outsiders can understand. Therefore, let's make effective use of the time we now have to look after one another.

Obviously, the situation that has impacted you which impacts our ability to serve you is less than ideal. However, we simply aren't going to permit this temporary obstacle to prevent us from serving our nobility and our temple leaders. Rather than complain about what we can't do, we are going to accomplish what we can do and ask you to join us in that spirit of service.

Thank you for your service to the Shrine and for your patience during this time.

STATEMENT OF SHRINERS INTERNATIONAL RELATING TO IMPERIAL SESSION 2020

Shriners International is looking forward to hosting an amazing Imperial Session in Kansas City this summer!

The Imperial Potentate, Director General of the 2020 Imperial Session and the staff of Shriners International are closely monitoring quickly changing developments related to the outbreak of coronavirus (COVID-19) as it may impact the upcoming Imperial Session.

Of course, the safety of our Nobles and their families is our highest concern. We are carefully reviewing the guidance provided by the World Health Organization and will be working in close collaboration with local health authorities to minimize the risks associated with this virus. Each individual should evaluate their own health situation in connection with the latest information provided by public health professionals in determining whether they should travel. We have every expectation that the 2020 Imperial Session will be an outstanding and extremely positive experience.

We anticipate providing additional updates and information related to Imperial Session 2020 as developments warrant.

In my 7th year as Abdallah Shriners Chaplain, I never imagined just a short time ago that I would be sending out such a message of hope and encouragement to our Shrine Family. We are in the middle of a horribly worrisome time where we are not living our lives as we always have and wish we could do now. The novel Coronavirus (COVID-19) has come upon us with a furry that stuns us and sometimes scares the heck out of us.

Most of us are getting inundated by the hour with late-breaking news telling us the safety precautions we should take. We also get updates on the number of confirmed COVID-19 cases in our area and the country. We learn of the many who have already succumbed to this awful disease. We learn that our medical authorities and government leaders are scrambling to learn all they can about this new virus for which there is no vaccine.

So, how are we handling this completely new lifestyle that maybe the 'new norm' for a period not quite yet defined?

We, the Shrine Family, have an abiding faith in God. In the past we have lifted up our prayers and concerns for things that may, at this point, seem not quite so important. No reason to feel guilty. That was then, this is now. The part of going to the Lord is probably more necessary during this period of uncertainty than ever before. Don't worry about what to say. The Lord knows your heart, your words and just wants to hear from you. He'll take it from there. Notwithstanding all that is happening in our lives, He is still in charge. He did not cause the virus to spread throughout the world as some type of punishment. He is not a vengeful God. He is a God of love, great compassion. Repeating, He is still in charge. We must trust in Him.

One of the best things I have heard came from a local Pastor who finally decided to close his church and livestream services. His comment for others to hear and pay heed to was that God gave each of us a brain and the ability to make good choices. He implored everyone listening to use their brain, make good choices and to not behave as if they were testing God. He probably made more sense to me than just about anyone else I have listened to.

My prayer for each of us is: 1) that we do the very best we can to stay away from anyone not living in our homes; 2) that we believe this COVID-19 is not just the flu, a hoax or a conspiracy; 3) that we often pray for deliverance from this disease; 4) that our leaders and medical authorities use their brains to make the best possible choices for how we are to get through this; 5) that those with the virus recover; 6) that those who have suffered the loss of a loved one knows the Lord and others do care about how they are doing; 7) that we offer help to those at risk due to health and/or age in a the way that does not expose us to the virus; 8) that each of us keeps faith and never., never., never give up hope.

Ways to keep in touch and check on each other is to call, email, or use other electronic methods; fly the American Flag as a symbol of unity until this awful period has come to something of a merciful end. Keep our faith in God and resolve to do everything we can to get through this and be able to greet one another on the other side of this whole, troubling affair. We will get through this, I am certain, just as certain that God does exist.

Here are some scriptures that offer encouragement, remembering that God speaks to us in many ways. The Holy Book that we most revere has many comforting and reassuring words in which we can find solace. We have been given the time to read those words. TV can be turned off periodically. It's not very encouraging and you will learn what you need the few times you do listen to the news.

Proverbs 2:11 *"Discretion will protect you, and understanding will guard you."*

Psalms 32:7 *"You are my hiding place; You will protect me from trouble and surround me with songs of deliverance."*

Genesis 49:18 *"I look for your deliverance, Lord."*

John 17:15 *"My prayer is not that You take them out of the world but that You protect them from the evil one."*

1Corinthians 13:6-7 *"Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres."*

Finally, we are capable of withstanding even this indiscriminate scourge. We will, with the Lord's mercy and support, get through this together and be reassured that we and our Lord took charge, overcame and became stronger in faith and with compassion for others.

May the Lord of all watch over us; may He know our faith and trust in Him is strong; may He grant us peace and comfort now and forever more.

Amen and So Mote It Be,
Jerry Ogden, Chaplain

Abdallah Shriners Demolition Derby & Casino Night

Dear Nobles & Ladies,

The times we are living through together are unprecedented in the history of our fraternity and the modern world. The COVID-19 pandemic is like nothing any of us have seen before. I want to thank all of you for your commitment and patience.

We play an important role in the ecosystem of friendship and fun during a time like this. It's more important than ever that we keep healthy and free from sickness. As part of this, we have cancelled and postponed most of our immediate Abdallah functions.

The changes to our daily lives bring uncertainty and many questions. The challenges we face will require extraordinary action. We pledge to communicate with you to share new information as we have it. We appreciate your dedication, and your patience during this time. We will get through this together.

The Casino Night and Rib Sales – Saturday, May 2nd POSTPONED. The new date to be determined (TBD). We will still be accepting donations and table sponsors and will be around to talk to clubs and units when we are able to meet again.

The Demolition Derby – August 28th & 29th

As of right now, **the demo derby is on and strong!** Keep your fingers crossed as this is Abdallah's largest 2021 fundraiser. We have changed our fundraising event to a 2 day demolition derby!

I know that right now is not the most opportune time to solicit since we are all sheltered in place, but when this is all said and done, please get out there to help support the Demo Derby.

The Demo Committee updated the logo (thanks to Carolyn Larson) along with the program advertising and event sponsorship materials with the new and exciting information. This derby **won't be successful** without your help getting out in the community to sell ads to support **Abdallah's largest 2021 fundraiser!**

Here are some things to note:

- Did you know that by selling ads/sponsorships you can earn your cash or Shrine Credit that can be used towards hall rentals or Potentate Ball fees in 2021?
 - Earn 25% CASH INCENTIVE for NEW ads/sponsorships
 - Earn 10% Shrine Credit for renewing that ads/sponsorships you sold before
- Ask family, friends, neighbors, employers – ads start as low as \$50
- Check out www.abdallahdays.com for more info on the event and advertising sales and sponsorships – or call me at 913-378-8199 with any questions.
- We will still need volunteers for the event – mark your calendars August 28th & 29th at the Leavenworth County Fairgrounds in Tonganoxie

Thanks again for all you do to make Abdallah the wonderful place that it is. And thank you for considering donating to the Casino Night, selling ads for the Demo Derby, and everything else you support!

Sincerely,
Chris Zugelder
Chief Rabban
