

So, you have always wanted to write a book but you did not know where to start.

FROM STORY TO BOOK

Ten steps to get the story out of your computer (or notebook) and into your hands

Leslie Lindsey Davis is the author of 5 books with a 6th book due out in July 2021. She has helped numerous authors to navigate the confusing, scary path of writing and getting their books published.

She takes a systematic approach of small steps.

Leslie encourages authors to believe in themselves and their book. She celebrates each victory with the author.

Book a call with Leslie to see if she can help you turn your story into the book you always imagined.
