

Highland Pines DWID
Minutes
June 6, 2023

The meeting was called to order at 10:34 AM. Present were Angelo Angeleri, Patti Ferguson, Dave Cook, and Sandy McClintock.

Angelo went over our water system based on the Robbins report. Angelo moved that a solicitation be sent to three engineering companies to do an hydraulic analysis of the water system. It was seconded by Dave. Further discussion took place and the motion was unanimously passed.

Sandy requested that she be given approval to contact water customers who have high meter readings each month to ascertain if they have a leak. Approval was given by the other Board members.

Patti moved that we adjourn, Dave seconded. We adjourned at 12:01 PM.
