Federal Readiness & GSA Program Support

Computer Defense Force provides strategic support to help clients become fully federal-ready, including registration support in SAM.gov, DSBS profile optimization, and preparation for GSA eOffer submission. Our team understands the nuances of federal procurement and provides tailored advisory services for firms navigating Schedule 70, MAS, and other pathways to become an approved supplier to the U.S. government.

Core Support Services Include:

- GSA Schedule Readiness (MAS, IT-70, etc.)

- DSBS and SAM Profile Optimization

- Federal Contracting Onboarding (TIN, DUNS, UEI)

- eOffer & GSA Submission Preparation

- Contractor Readiness Consulting
