Grant Aid Application Guidance Notes

Please read the guidance notes before completing the form:

Clydach Community Council awards grants, at its discretion, to community organisations which can demonstrate a clear need for financial support to benefit residents by;

- providing a service
- enhancing a quality of life
- improving the environment
- promoting the Community Council in a positive way.

We suggest any applicants speak with the Clerk to the Council prior to requesting a grant;

Eligibility

Grants will not be made;

- to organisations situated outside the area administered by the Community Council, unless a clear benefit to the inhabitants of the Community can be established. In such cases, supporting information demonstrating the level of benefit must be provided
- to organisations that are socially exclusive, e.g., where there are unreasonable restrictions on membership inconsistent with equal opportunities
- to organisations established for party political purposes or promoting religious purposes
- where the aims and objectives of the organisation are inconsistent with the values of the Community Council.
- no grant will be awarded to or for any commercial venture for private gain
- the grant cannot fund the purchase of alcohol, wages, loans or interest payments or VAT that you can recover
- no retrospective applications will be considered.

Grants will be considered under the following criteria:

The organisation must be non-profit making or charitable (i.e. an independent group that does not make profit to pay Directors, Members or Shareholders; normally run by

volunteers). Grants will not be made to individuals and would not normally exceed 50% of the cost of the project or activity.

Grants will not be made retrospectively and only one application for a grant will be considered from each organisation in any one financial year.

All grants must be used within one year from the award being made.

All grants are awarded on a one-off basis – if required for subsequent years a new application must be submitted each year.

A grant may only be used for the purpose set out in the application and it cannot be given or transferred to any other group.

Any monies not used, in part or full, for the agreed purpose must be immediately returned to the Community Council.

At the Council's discretion, for large grants, (over £500) groups may be subject to a visit by the Clerk to see how the grant has been administered.

The Council will require details of how the money has been spent within 1 year of the award being made.

Recognition of the grant from the Community Council must be made in any publicity and in the Group's accounts.

The Council may use the name of your Group and its project in our own publicity material where appropriate.

All grants are at the discretion of the council:

All applications will be considered on their merits and subject to providing the supporting documentation as requested on the application form. Incomplete applications will be returned and may not be re-considered. Especially if the budget is depleted.

Groups may be asked to make a brief presentation to Council Members.

If required, it is the applicant's responsibility to ensure that public liability insurance is in place.

The Council will take into consideration any previous grants made to an organisation when considering a new application.
