6. **(TA) COST SAVING FURLOUGH FY 21 (REVISED 7/30/2020):**

A. FURLOUGH (FISCAL YEAR 21 – 10/1/2020 – 9/30/2021)

1. To minimize layoffs during Fiscal Year 2021, the City and IAM agree that an unpaid work furlough equivalent to 10% percent of permanent employees pay (208 hours for permanent full time employees) will be taken during the period including October 1, 2020 to the pay period including September 30, 2021. This will include permanent full-time employees and permanent part-time employees that work at least 20 hours per week.

2. Permanent full time employees will be required to take two hundred and eight (208) hours of unpaid furlough and qualifying permanent part-time employees will be required to take one-hundred and four (104) hours of unpaid furlough on a scheduled business closure day, between the pay period including October 1, 2020 and the pay period including September 30, 2021. Furloughs will be scheduled eight (8) furlough hours per pay period for full-time employees and a minimum of four (4) hours per pay period for permanent part-time employees unless the appointing authority has approved an Alternate Furlough Plan. All permanent employees will be required to take the full number of furlough hours (208) or 104 hours for permanent part-time and those approved on the Alternate Furlough Plan.

3. Most employees will be placed on a 5/40 work schedule and will take the City closure day off as the furlough day. Based on operational needs, departments may assign an alternate furlough day off (other than the closure Friday) within the same work week. After the furlough period, employees will be returned to their prior schedule. The union will be notified should a change arise. The proposed language clarifies that the 5/40 schedules may not be suitable for all operations and provides departments with discretion to properly adjust operations.

4. For operations that require work shifts greater than eight (8) hours, employees can flex the remaining hours of their shift within the work week, use accruals for the remaining hours of their shift or request to take the remaining hours of the shift off unpaid with approval from the Department Head or appointing authority.

5. Furlough hours will be scheduled by management and may require closure of certain operations based upon business necessity. Every effort will be made to float furlough hours to effectively reduce costs and minimize the impact on public services. Overtime will not be permitted within the same week as furlough hours unless approved by the appointing authority. Employees shall not use any paid time (e.g. vacation, in-lieu, banked time, etc.) to replace or supplement furlough day.

6. Employees in assignments that will require overtime or revenue loss if the member is furloughed will be placed on the Alternate Furlough Option and be required to take one hundred and four (104) hours of an unpaid furlough between the pay period including October 1, 2020 and the pay period including September 30, 2021. The City will provide the Union with a list of positions, assignments and individuals to be included in this alternative approach to generate savings (see attached).
7. Non-career employees will not be scheduled to work on a scheduled business closure day. If based on operational necessity, there is a need for a non-career employee to work on a closure day, the department will schedule an alternate day off during the same work week.

7. **FURLOUGH PARITY LANGUAGE:**

   A. The City is proposing the attached Letter of Agreement regarding Furlough Parity be included in the IAM successor MOU.

8. **(TA) LABOR COST SAVINGS RE-OPENER (REVISED 7/27/2020):**

   A. The declaration of an economic emergency shall not be subject to any grievance or arbitration procedure.

   B. In the event the Mayor and Council declare an economic emergency; the parties agree to immediately begin to meet and confer to address possible measures to help ameliorate the fiscal crisis. The City shall notify IAM in writing to request that this agreement be reopened, provided that such reopener is limited to achieving labor costs savings, such as furloughs, reduction in hours or changes to Article Two (Salaries and Compensation), Article Three (Paid Time Off Benefits) and Article Four (Benefits). The Association agrees that they shall meet with the City within one week of the written request and shall meet daily until agreement is reached or impasse is declared.

   C. If the parties are unable to reach agreement on the reopener within 30 days of the written request to reopen, they agree to proceed to the impasse resolution process in accordance with the Meyers Miliias Brown Act. If the Association requests factfinding regarding the impasse in negotiations, the parties will make their best efforts to agree upon an efficient, economical, and fair factfinding process. The parties agree that the factfinding panel will include a City representative and IAM representative. The parties agree to select their respective panel members and the neutral factfinding panel chairperson within 5 days of the factfinding request. The parties agree to schedule the factfinding hearing within 15 days of the factfinding request, and to direct the panel to make its written recommendations as expeditiously as possible, and in no event later than 10 days after the date of the hearing.

   D. In the event of a reopening ending in impasse, the City shall have the right to unilaterally implement the last, best and final offer upon completion of the impasse process. However, the item unilaterally changed cannot become part of the collective agreement unless and until the union agrees. The provisions of Article One, Section VIII, “Peaceful Performance of City Services,” shall continue in full force and effect regardless of any re-opening of negotiations.

LETTER OF AGREEMENT

FURLOUGH PARITY LANGUAGE (UPDATED 7/30/20)

IAM agrees to 26 workdays/208 hours (approx. 10%) of unpaid furlough days in FY 2021, provided that the City agrees to a “Furlough Parity Reopener” to guarantee that all non-sworn bargaining units (excluding public safety [POA, FFA and LGA] and miscellaneous groups with a closed contract) and full-time unrepresented employees will be subject to the same total number of furlough hours (26 days = 208). This also excludes employees on an Alternate Furlough Program (contribution half (13 days = 104 hours).

The City and IAM agree that it is the intent of this Section regarding furloughs that all non-sworn bargaining units serve the same total number of furlough hours FY 2021 (excluding Alternative Furlough Program). Therefore, should the City reach agreement with another non-sworn bargaining unit that provides for less furlough hours than has been agreed to in this Section, or if the City is not able to reach agreement and instead imposes terms on another non-sworn bargaining unit that are less than the value of the furlough cost savings agreed to in this Section, the parties agree to re-open the MOU to discuss how to provide IAM members with compensation that equals the difference in furlough hours they served in comparison to other non-sworn bargaining units. This limited re-opener can be exercised by either the City or IAM.

The parties tentatively agree to the above proposed letter of agreement:

As a result of COVID-19, the City will temporarily add an additional year to total a four (4) year vacation maximum cap. **24-Hour or 7 Day Hour Facility Schedule**

The 24-hour 9/80 option is reserved for 24-hour facilities whose employees may flex on any days other than Monday or Friday. The 9/80 day off must be taken in conjunction with two consecutive days off. For example, an employee whose regular workweek is Tuesday through Saturday would Flex every other Tuesday or Saturday. Sunday and Monday would be ‘regular’ days off from work.

**Note:** A 24-hour facility supervisor may assign an employee to a 'Business Hour Department Schedule' if the employee’s regular workweek is Monday – Friday and their regular days off are Saturday and Sunday.

*Use of the 24-Hour Facility Schedule must first be approved by the Department of Human Resources Director.

D. At the time of separation from employment, earned but unused personal holiday hours will be paid to the employee with the final check at the employee’s adjusted hourly rate of pay.
MODIFY BENEFITS ELIGIBILITY DATE

Effective calendar year 2021, subject to approval by City Council and agreement with all other bargaining units, the City will implement a change in practice to the effective date of enrollment for City Benefits (health, dental, vision, life) for permanent full-time employees as follows:

A. Employees will become eligible and may enroll into eligible benefits plans effective the first (1st) of the month following their hire date and submittal of enrollment documents.

Benefit enrollment forms must be received by the Department of Human Resources Benefits Division by the end of the month of the employee’s hire date for benefits to become effective 1st of the following month. (Option 1)

B. If enrollment forms are not received by the end of the month of the date of hire, the employee’s enrollment date will default to the 1st of the month following 30 days of employment. (Option 2). If forms are not received timely, the employee (only) will be enrolled into the 1-party PPO plan for health, dental and vision coverage.

C. Benefit deductions are processed a month in advance of coverage, so new employees will have retroactive deductions reflected on paychecks whether Option 1 or Option 2 is selected.

PAID PARENTAL LEAVE (NEW)

Subject to approval by City Council, the City of Long Beach proposes to implement the following paid parental leave policy effective the first full pay period of calendar year 2021 or upon implementation of the City’s LB Coast HR system (whichever comes last):

The proposed policy institutes a new program offered by the City which provides 30 consecutive calendar days of Parental Leave at 100% of salary, for the birth, adoption or foster placement of a child, regardless of the gender, marital status or sexual orientation of the parent. Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.

The leave must be taken in full day increments, and within one year of the date of birth/placement of the child. This type of absence is not charged against the employee’s leave accruals.

Purpose/Objective

All full-time employees eligible for City health benefits are eligible for Paid Parental Leave, for up to 30 consecutive calendar days in the twelve-month period following the birth of a child, adoption of a child, or placement of a foster child in their home. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

The purpose of Paid Parental Leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child.

Eligibility

- Permanent full-time employees eligible for City health benefits; AND
- Employees that have completed six (6) months of full-time City service; AND
- Employees who are the parent of a newborn child; OR
- Employees who have adopted a child or who have had a foster child placed in their home (in either case, the child must be age 17 or younger).
- This benefit shall apply to life events occurring after the effective date of the Paid Parental Leave program.

Amount, Time Frame and Duration

- Employees will be eligible for up to 30 consecutive calendar days (160.0 hours) of Paid Parental Leave at employee’s adjusted hourly rate of pay.
- Paid Parental Leave will be paid on regularly scheduled pay dates.

The City reserves the right to amend, add or make further proposals. This Proposal is contingent on agreement of all provisions of the proposal.
• Approved Paid Parental Leave may start up to two consecutive weeks prior to and at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.
• The 30 consecutive calendar days of Paid Parental Leave will begin on the first day of Paid Parental Leave used, and in no event shall exceed 30 calendar days within a 12-month period.
• Paid Parental Leave may not be used or extended beyond this twelve-month time frame.
• The City will allow employees to take Paid Parental Leave only in the smallest of increment equivalent to a one-day shift according to their regular work schedule (i.e., no partial days shall be taken under any circumstance).
• In no case will an employee receive more than 30 consecutive calendar days of Paid Parental Leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month rolling time frame.
• City employees who are co-parents with another City employee, will each have an individual right to paid Parental Leave.

Coordination with Other Policies
• Paid Parental Leave taken under this policy will run concurrently with leave under the FMLA, CFRA and PDL.
• If a City holiday occurs while the employee is on Paid Parental Leave, such day will be charged as holiday pay and will not be counted against the employee’s 30 consecutive calendar days of Paid Parental Leave.

Requests for Paid Parental Leave
• The employee must provide his or her supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).
• An employee who does not give 30 days’ notice must explain why such notice was not practical.
• The employee must complete the necessary Human Resources Department forms and provide all documentation as required by the Human Resources Department to substantiate the request.
• Employees may request to start their Paid Parental Leave up to two weeks prior to the birth/placement of the child.

The City retains the right to review the Paid Parental Leave program at the end of the contract term to evaluate the program’s impact on operations. The parties will agree to meet and discuss modifications to the program to address unforeseen fiscal and/or operational impacts.

The City reserves the right to amend, add or make further proposals. This Proposal is contingent on agreement of all provisions of the proposal.
Applicable MOU Provision(s)

Upon implementation of Paid Parental Leave program, all parties agree to eliminate applicable provisions for the Preservation of Sick Leave (Vacation) During Extended Leave which states:

- Whenever a permanent employee has requested an extended leave of absence (more than 30 days), the employee has the option to retain up to eighty-hours of sick leave/vacation/holiday pay in the system. However, previously scheduled vacation time may be preserved in addition to the 80-hour limit.

This provision will be discontinued and removed from applicable Memorandum of Understanding and any other documents, or locations referenced.
COMPENSATORY TIME OFF

The parties agree to modify provisions of the Memorandum of Understanding (MOU) pertaining to Overtime and Compensatory Time Off (CTO), effective January 1, 2021 to read as follows:

1. Work Week and Increments of Time Reporting

   Bargaining Unit members work a seven-day FLSA workweek (168 recurring hours). Hours worked shall be accounted for in increments of six (6) minutes. Overtime shall be earned, credited and paid or taken off (compensatory time off) in increments of six (6) minutes. No overtime credit shall be allowed for a period of less than six (6) minutes.

2. FLSA Overtime

   FLSA Overtime for all work performed in the excess of forty (40) hours per week will be paid at the regular hourly rate (or compensation accrued) at one and one-half times.

3. MOU Overtime

   During the term of this Agreement, the City shall pay MOU overtime under this section by crediting sick leave, personal or in lieu holiday leave, etc. as hours worked. Hours charged to vacation leave shall be excluded and not be considered when determining premium pay under the provision of this MOU. MOU Overtime (in excess of 40 hours per week, excluding vacation) will be paid at time and one-half the regular hourly rate or accrued as Compensatory Time Off.

4. Compensatory Time Off (CTO)

   a. Employees working overtime will be eligible to accrue Compensatory Time Off (CTO) in lieu of receiving overtime compensation for each hour of overtime worked. CTO is earned at one and a half (1.5) hours for each hour worked. CTO time-off may be accrued up to a maximum of forty (40) hours.

   b. Banked overtime credits shall not exceed 40.0 expanded hours for any non-supervisory bargaining unit employee (i.e., Office & Tech Svcs-Basic, Professional-Basic, Protection-Basic, Peace Officer-Basic) at any one time.

The City reserves the right to amend, add or make further proposals. This Proposal is contingent on agreement of all provisions of the proposal.
c. Banked overtime credits shall not exceed 60.0 expanded hours for any supervisory bargaining unit employee (Office & Tech Svcs-Supervisory, Professional-Supervisory, Protection-Supervisory, Peace Officer-Supervisory, Refuse-Supervisory) at any one time.

\[(26.67 \text{ straight time hours} \times 1 \frac{1}{2} = 40)\]

(40 straight time hours \times 1 \frac{1}{2} = 60)

d. Employees will be paid for all accrued CTO annually with the final pay period of each fiscal year or in the pay period immediately preceding a general salary increase. Should an employee promote to a classification with a higher base hourly rate of pay, all accrued CTO will be paid as compensation to the employee on the pay period prior to promotion.

e. An employee wishing to use accrued CTO shall provide the City with reasonable notice of such request. “Reasonable notice” is defined as at least two weeks’ notice. If reasonable notice is provided, the employee’s request will not be denied unless it would be unduly disruptive to the department to grant the request. A request to use CTO with less than two weeks’ notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.

f. Management retains the sole discretion in granting the request to accrue CTO or pay it as overtime worked.

The City reserves the right to amend, add or make further proposals. This Proposal is contingent on agreement of all provisions of the proposal.

At the employee’s request in writing, all disciplinary memoranda for minor offenses, including suspensions not to exceed two (2) days constructive action and all tardy slips and notes of absenteeism, shall be sealed for reasons that such items shall not be used against the employee thereafter, if no further disciplinary action directly relating to the original memoranda has been taken against the employee within two (2) years following issuance of the memoranda.

Any item that is sealed shall be removed from access from personnel except the Department Head or designee. If the employee believes this section is being misinterpreted or misapplied, or if there is material in the personnel file that should be removed or sealed, he/she may file a grievance pursuant to Article Seven. However, the grievance resolution shall be final and binding when it gets to the Director of Human Resources unless there is some other alleged violation of the MOU within the grievance.

Written reprimands shall be served on an affected employee within a reasonable period of time after the manager discovers the incident(s) which supports the written reprimand. If an employee believes the reprimand was not served in a reasonable time, he/she can only appeal the timeliness of the service to the Director of Human Resources or designee. The contents of the grievance can only be challenged as set forth above. The decision of the Director of Human Resources or designee is final and not subject to arbitration.
