

# Support Package For AAACH Accreditation

## Our Services

Zierke Consulting Group is pleased to offer a comprehensive support package for AAAHC accreditation, designed specifically for your organization. This proposal outlines a full-service engagement from initial GAP Analysis through final survey readiness, including coaching, policy and document development, and a bonus grant writing course for organizations that go “all in”. It is our goal to help you to achieve AAAHC accreditation in 12-18 months from your GAP Analysis.

\*New 2026 pre-requisites: Must have a medical director, RN certified in Limited OB Ultrasound/RDMS and been operating for one year prior to pursuing accreditation and have at least 12 months of satisfaction surveys

### Total Investment: **\$11,600\*\*** (plus travel)

This includes all services listed below. The GAP Analysis may be billed separately for grant reimbursement purposes, if needed. \$1,000 for each additional “site” (mobile, additional locations)

**\*\* 2026 rates, 2025 rates: \$10,450 plus travel base cost**

## Scope of Services

### 1. Pre-Survey GAP Analysis

- Conducted onsite by **two** consultants
- Full review of operations, policies, clinical protocols, and compliance readiness
- Working Genius Leadership Team Analysis with Coaching
- Written report with prioritized recommendations tied to accreditation standards
- AAAHC v44 or current version Handbook - digital version
- \$1,000 for each additional service site (mobile, physical)
- **Fee:** \$1,800 (included in total above; may be invoiced separately)
  - *Travel expenses billed separately at actual cost*

### 2. AAAHC Accreditation Implementation Support

**Fee:** \$9,800 (included in total above)

#### Custom Policy Development & Review

- Tailored to your clinic’s unique operations and staffing with full template library

#### Cohort Training Access

- Eight (8) Live 2-hour Zoom sessions every other Monday, 3 cohorts each year
  - Recordings available for ongoing staff training
  - Covers all AAAHC core and adjunct chapters
- 1095 Platform - Application Assistance, document upload
- Mock Survey and Attendance at AAAHC Site Survey (travel costs only 1 consultant)

### **Compliance Tools & Templates**

- 20+ downloadable documents: manuals, logs, audit tools, checklists, policies

### **Coaching and Progress Check in Calls**

- Dedicated support for documentation review, implementation questions, and strategic planning

### **Survey Readiness Prep**

- CHNA completion, Quality Improvement planning plus 29 templated studies, credentialing verification coaching/tools, and final documentation review

### **Mock Survey**

- One consultant onsite to conduct full simulation and readiness check. (Travel expenses will need to be covered)

### **Final Survey Support**

- One consultant onsite during the actual AAAHC survey for in-person assistance (Travel expenses will need to be covered)
- No ongoing annual fees related to AAAHC support. Updates and analysis of standards changes emailed as they are released by AAAHC.
  - You will need to contract with Learning is Created, MedTrainer, or SteriCycle or other outside compliance training provider.
  - *You may need to be utilizing a HIPAA compliant EMR platform that supports voluntary HIPAA compliance for non-covered entities, and that allows for medical director/supervising physician to sign off on each patient encounter in the chart, not just review an uploaded image of an ultrasound and sign off on that aspect of the visit.*

## **Bonus Offer – Paid in Full Incentive**

If full payment is received up front, your organization will receive complimentary enrollment in the upcoming:

### **Grant Writing Cohort**

- I offer 3 cohorts each year
- Format: Live via Zoom (6 sessions, 2 hours each, including a Custom GPT Grant Writing Assistant blueprint for your organization)
- Value: \$1,200
- Includes templates, funder lists, AI instruction, recorded sessions to review and train future staff with, and post-class support for three grants you write following the end of the class
- Anyone in your organization may attend

I also offer EOS facilitation for strategic planning, board training - 6 hours on-site, 360 Organizational Policy analysis report, Medicaid and Insurance Credentialing for your practice, grant writing courses (trying to teach vs write for the grants).
