

💖 This isn't just a childcare center...

It's a place where children are loved, encouraged, and inspired every single day. 💖

At Barrels of FUN, your child becomes part of our family, where their curiosity leads the way and every day is filled with opportunities to explore, create, discover, and grow.

🌱 Why families choose Barrels of FUN:

✦ A warm, welcoming environment where every child is known and celebrated

✦ Hands-on learning through exploration and play

✦ A curriculum that encourages children to lead their own learning

✦ Caring teachers who nurture confidence, creativity, and kindness

Whether we're discovering nature on the Ghost Town Trail, exploring our outdoor classrooms, creating messy masterpieces, or making new friendships, every day is filled with opportunities to learn, grow, and have FUN!

Our Barrels of Learning Through FUN Curriculum is inspired by children's natural curiosity and designed to help them build confidence, independence, and a lifelong love of learning.

🌍 *We think to ourselves... what a wonderful world.* 💖
