

## About Yun Theatre

We are a group of AAPI creatives thirsty for new work that challenges the status quo. We are bold and experimental, and we value our connections within our community. Together, we create and devise art using multiple mediums such as musical theatre, playback theatre, documentary theatre, film, and projections.

## Land Acknowledgement

Base is situated on the traditional homelands of the Coast Salish people including all tribes and bands within the Duwamish, Suquamish, Tulalip, and Muckleshoot nations. This is their ancestral homeland and, as a people, their strength and cultural traditions carry us into the 21st century. We thank the original stewards of this land who are still here, and recognize land acknowledgment as one of many steps toward supporting indigenous sovereignty.
