**Re: Resource Engineering, LLC v. Monmouth County Board of Freeholders, et al.**  
**Docket No.: MON-L-2495-20**

Dear Judge Zazzali-Hogan:

As Your Honor may recall this office represents the Township of Howell with regard to the above-captioned matter. A Case Management Conference has been scheduled before Your Honor on Wednesday, November 29, 2023. We respectfully suggest that the CMC be adjourned until after the Township Council considers voting on the proposed Settlement Agreement.

We had previously advised the Court that the Settlement Agreement will be discussed at the public hearing on November 28, 2023. Unfortunately, we need to cancel that proposed public hearing until December 12, 2023. While we are fully confident that a settlement will be reached, there are a few minor items that we need to discuss with our client before the public hearing.

We therefore respectfully request that the CMC be rescheduled for after December 12, 2023. If, however, Your Honor wants to move forward with a CMC on November 29, 2023, we will of course agree to do so.

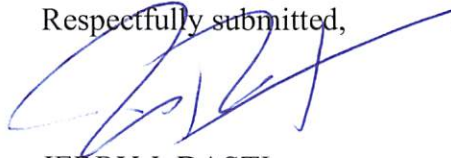

Honorable Mara Zazzali-Hogan, J.S.C.
