*"National Donor Day"*

There are currently around 120,000 Americans on the waitlist for a life-saving organ transplant. This is also a day to honor all of the hero donors who have saved so many people by donating their organs, tissues, blood, and marrow. This is known as the ultimate act of love and support for fellow humans in need.

**Thursday, February 17<sup>th</sup>,**  
***"Random Acts of Kindness Day"***

Inspire yourself by Random Acts of Kindness to bring joy to the people you come across. Doing something kind for someone else can have a big impact on their day, and ours. An act of kindness doesn't have to be a big gesture, the smallest act can sometimes have the biggest impact.

It is easy, it is free, and it will put a smile on everyone's face.

On February 23, a Mexican force numbering in the thousands and led by General Antonio Lopez de Santa Anna began a siege on the fort. Vastly outnumbered, the Alamo's 200 defenders, commanded by James Bowie and William Travis and included the frontiersman Davy Crockett, held out for 13 days before finally being over-powered. The battle cry of "Remember the Alamo" later became popular during the Mexican - American War of 1846-1848.
